**Hosea 8:1** Set the trumpet to thy mouth. *He shall come* as an eagle against the house of the LORD, because they have transgressed my covenant, and trespassed against my law. **2** Israel shall cry unto me, My God, we know thee. **3** Israel hath cast off *the thing that is good*: the enemy shall pursue him. **4** They have set up kings, but not by me: they have made princes, and I knew *it* not: of their silver and their gold have they made them idols, that they may be cut off.

# **FOREWORD**

This booklet entitled, '**The Siege And The Conquest**' was put into this form solely for believers of the Third Exodus Assembly. Should this booklet fall into the hands of other believers, please note that it is not meant to promote any special person or doctrine, but only that it might edify the reader and cause us to have greater faith in the Message of the Hour brought to us by God's Prophet, Brother William Marrion Branham.

# Introduction

## THE SIEGE AND THE CONQUEST | Vinworth Dayal | 2000

The prophecy of **the Prophet was coming to pass**, was in the process of fulfillment. The Chaldeans had come. The siege was laid, and **the economy was being broken**. Outside this Message, **who could preach that Rome captured them?**

The siege is on friends. They have laid a siege and the **whole world is under a siege**. This nation has been under a siege. Maybe you look and you **can't see the servants of the king of Babylon**. Maybe you can't see how they **set up their fortifications** and how they **storm the gates part by part**. How they **bring the famine** and how they **break the power of the people** and then **they own them**. Until finally their conquest ended and they had them. **It is a siege, ...it is a conquest!**

## THE THREE CURTAINS Pt. 1 | Vinworth Dayal | Oct. 5th 2008

Right now we are seeing an economic storm devastating and this is a category 7. This is not hitting one place; the whole world is shaking. Any economist could rise up and talk. But because we have this Bible and the Message we know when that is taking place it is a restructuring of the system. We know that evil power behind the scenes is manipulating things to take control, so that when the hour comes you cannot buy or sell. And when this year started I told you watch and see before the year is done.

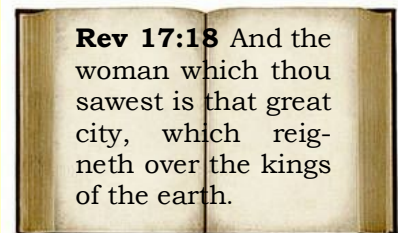

All along that power was trying to get a hold of the United States of America because this country was the richest country in the world. And the people of that country stood for something so great that the whole world looked up to them. Because they stood

for freedom of religion. And they fought the British for their independence and from a little band that started with 13 colonies they grew into the greatest nation in the world outside of Israel.

But this is the great thing about the Bible, it shows that nation was going to ultimately become the very vehicle for the very thing that they run from. The **beast that came out of the earth will speak with the voice of the dragon** that came out of the sea. And the beast that came out of the earth will force the whole earth to worship the beast (that came out of the sea).

The full control of the Catholic church in the United States of America: And that is not politics that is prophesy; Revelation 17 and 18, that Roman power will

rule the whole world. Revelation 13, America, the beast that comes out of the earth is going to become the vehicle through which that Roman power will take control of the earth.

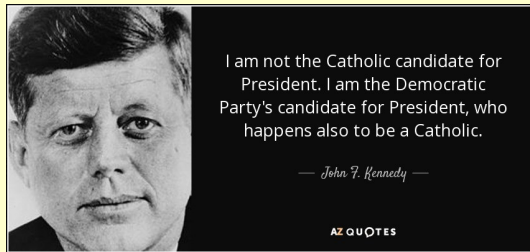

And the Holy Spirit in the Book of Revelation calls the Catholic Church **“that woman Jezebel”** linking her to the books of Kings and Chronicles where her history is, so when that repeat begins we can see exactly from the time of the **I Kings 16 when Jezebel married Ahab until II Kings 9** when Jehu who was anointed for

the destruction of Jezebel; destroyed her. **And so from 1960 until the Catholic church is blown off the map, that history is repeating**, first Kings 16 and II Kings 9 in the old testament and that has unfolded from 1960 to 2008. So the history of Israel in the time of Ahab and Jezebel will repeat in America. I am showing you how that Jezebel power came in to Israel in the ten tribes, democrats, and now I am showing you how it come over and took the kingdom of Judea, Republicans.

## THE THREE CURTAINS Pt. 2 | Vinworth Dayal | Oct. 8th 2008

These are Israelites but to Israelites they are divided, they are under two administrations, you could call one Republicans, you can call one Democrats. And since Jezebel came to America and married Kennedy, that would be democrat.

America is part of the mystery because this squeeze is coming out of Revelation 13. This Prophet whom we believe in came out of America.

That is what is happening. That is what is taking place, there is so much pieces of that which is broken up in the news and in the modern events but that is

the prophesy... ..Inside of there you have all these things that are being done, so that which was spoken by the Prophet might be fulfilled. Because all these things is bringing it to a place where Rome will control the military, she will control the politics and she will control all religion.

You **can't buy or sell** showing that she will **control all economics**.

All those names that are not written in the Book of the Lamb slain from before the foundation of the world **will worship the beast and those who don't will be killed**; showing that **she will control all religion**.

**She will control all government** because it says, 'and these ten kings will **give their strength and power to the beast**.'

## THE THREE CURTAINS Pt. 1 | Vinworth Dayal | Oct. 5th 2008

And this system is known as **mystery Babylon** in the Bible and also as **the great woman called the 'Great Whore'** and is also called **'that woman Jezebel'**. And when **Elijah came**, as he was coming into his ministry that **Catholic power rose in America to the seat of the White House in 1960**.

## **THE BEAST THAT CAME OUT OF THE EARTH** Rev 13: 11-18

And I beheld another beast coming up out of the earth; and he had two horns like a lamb, and he spake as a dragon.

And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed.

And he doeth great wonders, so that he maketh fire come down from heaven on earth in the sight of men.

And deceiveth them that dwell on the earth by the means of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live.

And he had power to give life unto the image, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is six hundred threescore and six.

## The Mark Of The Beast

And I beheld another beast coming up out of the earth... (not out--out of water, out of the earth). Then, the thickness and multitudes of people is water, then this is where there was no people, the United States. And he had two horns like a lamb...

"Two horns like a lamb," not a lamb. What is it? It's our American buffalo. Sure. See, there he is, "two horns like a lamb." But then what did he do? He had freedom of religion, first; he acted like a lamb; he spoke like a lamb. But remember, he never did become an old ram. He was a lamb. This country is only a hundred and fifty years old, you know, just a lamb.

... and then he spake like a dragon.

And he exercised all the power... the first beast had before him... (the red dragon)... and caused all that was on the earth, that dwelled upon the earth to worship the beast, whose deadly wound was healed. ( Look!)

And--and he does great wonders, so to make him a fire come down out of heaven... (The atomic bomb, and hydrogen; smart, intelligent nation, and so forth, deceiving the nations by these things.) This United States will come to a time that church and state will unite together.

I was going into American history, the history of the United states of America. And showing how they started with 13 colonies and 13 stars and stripes and they had 13 arrows in that eagle and on the dollar bill. They had 13 steps up the pyramid and then how she is found in the 13<sup>th</sup> chapter of the Book of Revelation.

She is setting right here on the throne, today, in this country. Remember, just like Ahab did, and Jezebel behind him. That's...The Bible calls the Catholic church "Jezebel; prostitute." And Ahab wasn't no bad guy. I don't say that Mr. Kennedy isn't a nice man. I don't know nothing about him. He's a man. That's all I know. He's the President. I believe he'll make a good President. It's not him; it's that system behind him. Wait till she gets wormed into the cabinet, and everywhere she can, then watch what'll happen. Look what it done in other nations. Look what it's always done. And don't the Bible say, in Revelation 13? This nation is number thirteen. It's got thirteen stripes and thirteen stars in the flag. Thirteen stripes in the flag. Thirteen, everything in it is thirteen; thirteen colonies, thirteen everything. And it's found in the 13th chapter of Revelation.

## *Israel's History is being repeated in America*

**Galatians 3:6** *Even as Abraham believed God, and it was accounted to him for righteousness*

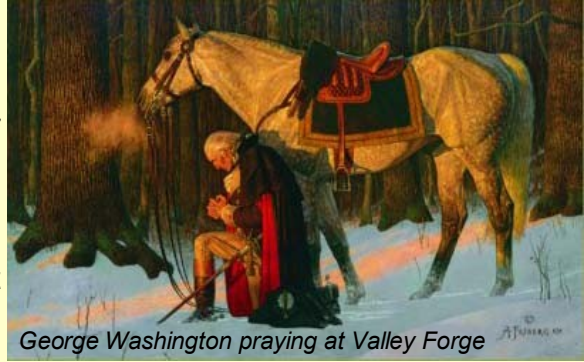

**Genesis 14:14** *And when Abram heard that his brother was taken captive, he armed his trained [servants], born in his own house, three hundred and eighteen, and pursued [them] unto Dan*

**Genesis 14:15** *And he divided himself against them, he and his servants, by night, and smote them, and pursued them unto Hobah, which [is] on the left hand of Damascus.*

*And I think down through the age, I think of the **father of our nation, George Washington**, how he trusted God.*

Life Story  
William Branham  
July 20th 1962

Yes, we've got to have an absolute. I'm thinking of one right now, as in closing, would be George Washington. When America was young and we were fighting for life, the life of this great nation that we have, **George Washington was a Christian. He was a believer.** And down at Valley Forge, I'm told that the American soldiers only had--about one-third of them had on shoes, and the winter was cold and the zero weather, and the river frozen and gorging over, and the British on the other side, and Washington Praying at Valley Forge the life of this little nation was at hand.

*George Washington praying at Valley Forge*

What did he do? He was a Christian. He goes out in the nighttime and kneels down in the snow, and prays until he was wet with snow water up around his waistline. And he stayed there and prayed until he got the absolute, the answer from God, that God was

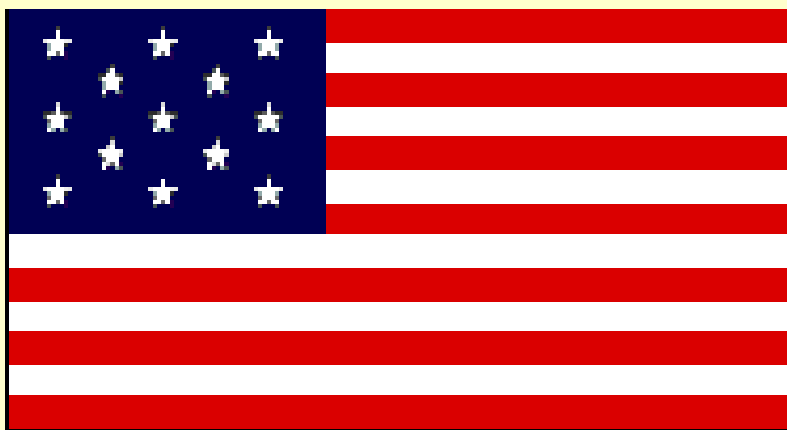

*George Washington crossing the Delaware River*

going to give him the victory. And the next day at Valley Forge was nothing to him; he crossed the Delaware, pushed through the ice with half dressed soldiers half froze and their bare feet on the ground in the snow. And he took it when three rifle bullets went through his coat. Why? He was trusting in the absolute of an answered prayer. Amen. The very backgrounds of our nation based upon such a thing.

A Absolute  
William Branham

Joseph/Manasseh; which was one half-tribe of Joseph; was known as the **13th** tribe of Israel. If we look at American Symbols we will see **13** over and over again. There are **13** stripes on the shield and on the national flag - "the Stars and Stripes". There were **13** founding states of America.

*[The Heraldry of the American Coat of Arms]*

**They parallel, one to the other, perfectly.** And remember when these..Israel came up and took her homeland in Palestine, drove back all the occupants of that land and possessed the land. We came in and took it from the Indians, drove them back and possessed the land. God had a reason for that. God was going to show the world what He could do with a little band of people that wanted freedom, and freedom of religion to serve God.

Jezebel Religion  
William Branham  
March 19th 1961

This country being a type of Israel, coming into a land, and drove out the occupants and inherited the land... the first **two kings** they have **David and Solomon** and there were **God fearing kings**, after awhile they got an **Ahab on the scene**....we have had a **Lincoln and a Washington**, look what it is today, look where we are going now, where is the next thing we are at the end time. This nation was known all over the world as the **leading nation**, cause **we'd had godly men** behind it.. But just as Israel **made its mistake and put Ahab in**, we did the same thing not long ago. When Ahab came in **he married Jezebel**. And Jezebel was a heathen.

**Hosea 8:1-4** Set the trumpet to thy mouth. *He shall come as an eagle against the house of the LORD, because they have transgressed my covenant, and trespassed against my law. They have set up kings, but not by me: they have made princes, and I knew it not: of their silver and their gold have they made them idols, that they may be cut off.*

And then we find that this country came up as a free country, and was-- had a lamb, which means the Lamb of God. But after while, this same system that we have, **spoke like the dragon** and **exercised all the power the dragon had before him**.

## Revelation 13: 1-9

<sup>1</sup> And I stood upon the sand of the sea, and saw a beast rise up of the sea, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the name of blasphemy.

<sup>2</sup> And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his mouth as the mouth of a lion; and the dragon gave him his power, and his seat, and great authority.

<sup>3</sup> And I saw one of his heads as it were wounded to death; and his deadly wound was healed: and all the world wondered after the beast.

<sup>4</sup> And they worshipped the dragon which gave power unto the beast, saying, Who is like unto the beast? Who is able to make war with him?

<sup>5</sup> And there was given unto him a mouth speaking great things and blasphemies; and power was given unto him to continue forty and two months.

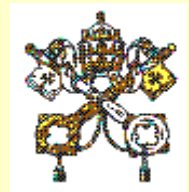

<sup>6</sup> And he opened his mouth in blasphemy against God, to blaspheme his name, and his tabernacle, and them that dwell in heaven.

<sup>7</sup> And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

<sup>8</sup> And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the Lamb slain from the foundation of the world.

<sup>9</sup> If any man have an ear, let him hear.

## ROME:MYSTERY BABYLON

### Vatican-Jesuit-Illuminati connection:

Rev. 17:5 And upon her forehead was a name written, **“MYSTERY BABYLON” THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.**”

Now up to this time I have not brought out that point in history that I promised to cover, that is, the **intermingling of the religion of Nimrod and the Christian religion**. You will recall that **Attalus fled from Babylon to Pergamos** and set up his kingdom outside the reaches of the Roman Empire. It flourished over the years, nurtured by the god of this world. A succession of priest kings followed Attalus until the reign of Attalus III when for reasons known only in the sovereignty of God **he willed the kingdom to Rome**.

**Julius Caesar then took both the kingdom physical and spiritual for he became Pontiff Maximus** of the Babylonish religion and was therefore **priest-king**. This title passed on to the following emperors until the time of Maximus III who refused it. According to Stevens' History it was then that **the pope took the headship the emperor rejected and today there is still a pontiff in the world, and he is truly Pontiff Maximus**. He wears a triple crown and resides in Rome. And in Revelation 17 God does not any longer refer to Pergamos

as Satan's seat nor does he say that is where Satan dwells. No, the throne room is no longer in Pergamos, but it is MYSTERY Babylon. It is not in Babylon but **in MYSTERY Babylon**. It is in a **city on seven hills**. Its head is antichrist for he has usurped the position of Christ Who alone is mediator and Who alone can forgive sins. Yes, **Pontiff Maximus** is with us today.

## The Reformation and the Birth of the Abomination called The Jesuit Order

Those who fought this terrible anti-Christ church were destroyed. Those who stayed with it found themselves the pawn of the church whether they be peasants or kings. Their lives were not their own, and neither were their lives Christ's, but they belonged body, soul, and spirit to the Church of Rome. They talked about the blood of Christ, yet **they purchased their salvation with money, and bought forgiveness of sins either by gold or penance**. The wealthier of them found it a happy situation when Pope Leo X allowed them to **buy indulgences for sins not yet committed** so that they with ease of conscience could plan their awful crimes and then proceed to carry them out, knowing that the pope had already remitted their sins. The Word of God was kept from them, so who was to know the truth! ...

...Thus when Leo X become pope, and John Tetzel came to sell indulgences for sin, **Luther** had no choice but to **rise up against this anti-Scriptural teaching**. First, he thundered from the pulpit against it and then wrote his famous **95 theses which on October 31, 1517 he nailed to the door of Castle Church**.

The Seven Church Ages  
Sardisean Church Age Chap. 7

And in the days of Martin Luther, after **fifteen hundred years** of dark ages, **Martin Luther** saw the **Pillar of Fire** move, and he come out of the Catholic church, and he followed the Pillar of Fire and **brought tens of thousands of them out**.

Israel in the Homeland  
William Branham  
March 29th 1953

**The Reformation:** When the **Reformation** came with their doctrines of salvation by grace through faith alone, it completely **stripped Rome of its spiritual power**. And so, with these great revivals breaking forth and the Reformation happening, nations were breaking away from the power of the Pope.

And with the breaking of his spiritual power, he then lost his temporal power. In other words, he no longer had the ability to **rule the people through the king of the country**, because the king was breaking away, like Henry VIII. Well, this was not good for Rome because they were **losing lots of money**. The nations were not paying "**Peter's pence**" anymore.

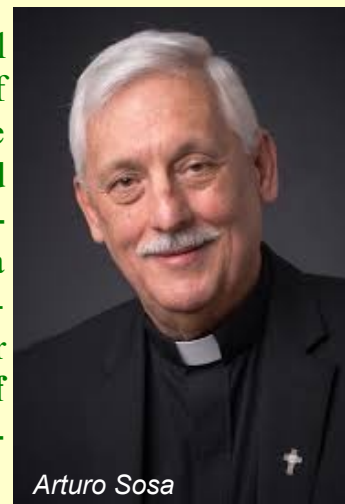

St. Ignatius of Loyola

**Ignatius Loyola** As a result of this, the **Devil** raised up **Ignatius Loyola** with his demonisms, his "spiritual exercises" and—because Loyola had been a member of the Spanish Alumbrados, which is what we call the **Illuminati** today, he used the Jesuit Order to attempt to regain back what had been taken by the Reformation. He had a will of steel. And so, he went to the Pope, and the Pope in 1540 then created the Jesuit Order. But this man is a soldier, he's a lawyer, and he put together a legion of soldiers and warriors to get back what Rome had lost, as well as institute a World Government for the Pope, from Jerusalem. [The SPECTRUM Newspaper, May 2000, The Black Pope]

**Jesuit Power:** "The Society of Jesus was thenceforth recognized as the chief opposing force of Protestantism. The Order became **dominant in determining the plans and policy** of the **Romish Church**. The success of the Order was phenomenal. It sent out its representatives to every quarter of the globe. It became a world power. Its solitary apostles were seen **shadowing the thrones of Europe**. They used every means known to human ingenuity... to know all secrets, fathom all design, penetrate all intrigues, prevail in all counsels, rise above all diplomacy, and master the human race, — such was their purpose and ambition. They wound about human society in every part of the habitable earth, the noiseless creepers of their **ever-growing plot** to retake the world for the **Church (Roman Catholic)**, and to **subdue and conquer and extinguish** the last remnant of opposition to her dominion from shore to shore, from the rivers to the ends of the earth." [Ridpath's *Universal History*, John Ridpath, 1899]

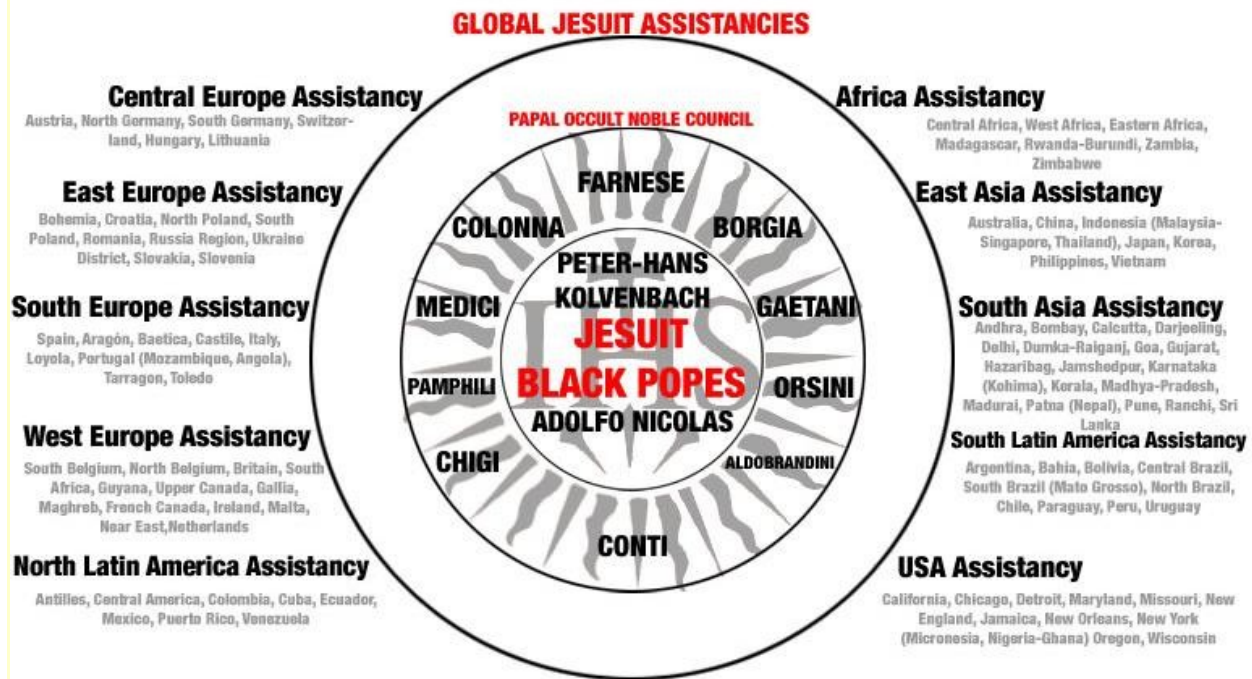

**The Jesuit General (The Black Pope):** The Jesuit General is the absolute, complete, and total dictator and autocrat of the Order. When he speaks, his provincials move. They've divided up the world into these provinces. So it's **old Babylonian provincial government**, centered in **Nebuchadnezzar** or the Jesuit General himself; so it's strictly a Roman form of government where all the states or provinces are subordinate to this worldwide sovereign. Their ultimate goal is the **rule of the world, with the Pope of their making, from Solomon's rebuilt Temple in Jerusalem.**

It is the Superior General of the Jesuits, the so-called "Black Pope" [*black here refers to hidden, evil activities, not to race or color*] who gives the orders to the actual Pope. The Jesuit General, and the other high Jesuit Generals, they are sorcerers. They worship what they would call Lucifer. The present Jesuit General is Arturo Sosa. "It's "for the greater glory of God"—Ad Majorem Dei Gloriam: the greater glory of the god who sits in Rome." [The SPECTRUM Newspaper, May 2000, The Black Pope]

# THE JESUITS RULE

## The Jesuit Extreme Oath of Induction

*As a further item of interest we quote the following excerpts of this oath bound organization. It is only taken by the most trusted priest of the Jesuit Order, and has been charged as the one taken by the members of the Fourth Degree in the Knights of Columbus. (See Congressional Record, House Bill 1523, Contested election case of Eugene C. Bonniwell, against Thos. S. Butler, Feb. 15, 1913, pages 3215-16.)*

"I....., now in the presence of Almighty God, the Blessed Virgin Mary, the Blessed Michael the Archangel, the Blessed St. John the Baptist, the Holy Apostles,,, and to you my ghostly Father, the Superior General of the Society of Jesus founded by St Ignatius of Loyola, in the pontification of Paul the Third, **and continue to the present**, do by the womb of the virgin, the matrix of God, and the rod of Jesus Christ, declare and swear that his Holiness, The Pope; is Christ's Vice-regent, and is the true and only head of the Catholic or Universal Church throughout the earth; and by the virtue of the keys of binding and loosing, given to his Holiness by my Savior, Jesus Christ, he hath the power **to deposed heretical kings, princes, states, commonwealth, and government, ALL being ILLEGAL** without his sacred confirmation, and that they may be safely destroyed.

I do now renounce and disown any allegiance as due to any heretical king, prince or state named Protestant or Liberal, or OBEDIENCE TO ANY OF THEIR LAWS , magistrates or officers.

I do further declare, that I will help and assist and advice all or any of his Holiness' agents in any place wherever I shall be, and do my utmost to extirpate the heretical Protestant or Liberal doctrines and to destroy all their pretended powers, legal or otherwise.

I do further promise and declare, that notwithstanding I am dispensed with to assume any

heretical religion, for the propagating of the Mother Church's interest, to keep secret and private all her agents' counsels, .....

I do further promise and declare, **that I will have no opinion or will of my own, or any mental reservation whatever, even as a corpse or cadaver**, but unhesitatingly obey each and every command that I may receive from my superiors in the militia of the Pope and Jesus Christ.

"That I will go to any part of the world, whatsoever, without murmuring and will be submissive in all things whatsoever communicated to me...I do further promise and declare, that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do to extirpate and exterminate them from the face of the whole earth, and that I will spare neither sex, age nor condition, and that I will

*The Jesuit Monogram*

hang, waste, boil, flay, strangle and bury alive these infamous heretics; rip up the stomachs and wombs of their women and crush their infants' heads against the wall, in order to annihilate forever their execrable race.

"That when the same cannot be done openly, I will secretly use the POISON CUP, THE STRANGULATION CORD, OR THE LEADEN BULLET, REGARDLESS OF THE HONOR, RANK, DIGNITY, OR AUTHORITY OF THE PERSON OR PERSONS WHATSOEVER MAY BE THEIR CONDITION IN LIFE, EITHER PUBLIC OR PRIVATE, AS I AT ANY TIME MAY BE DIRECTED SO TO DO BY ANY AGENT OF THE POPE OR SUPERIOR OF THE BROTHERHOOD OF THE HOLY FAITH OF THE SOCIETY OF JESUS".

**Alliance:** The Jesuit General had sought an alliance with the Masonic House of Rothschild in England. To accomplish this he chose a Jesuit who was Jewish by race—Adam Weishaupt. Weishaupt was a brilliant instructor of Canon Law at a Jesuit university in Bavaria. We read: "From the Jesuit College of Ingolstadt is said to have issued the sect known as 'the Illuminati of Bavaria' founded by Adam Weishaupt. [Occult Theocracy, Lady Queenborough, originally published in 1933]

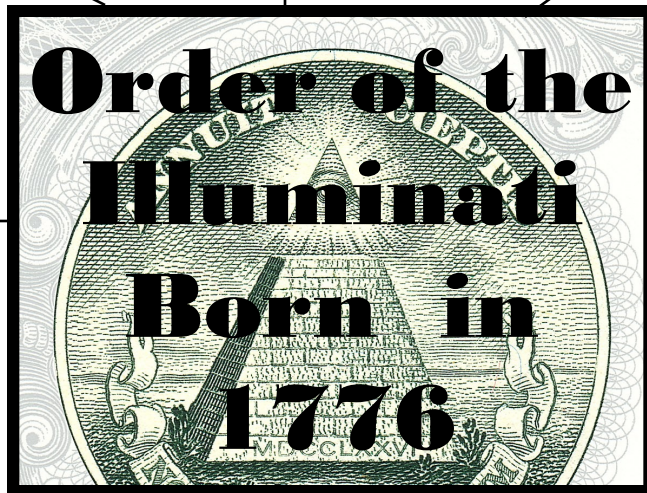

**Jewish:** The International Banking Cartel (Illuminati) is mainly Jewish by race

**The Rothschild family:** Specialized in making large loans to governments, usually to finance wars and gradually came to exert enormous influence in political affairs. Their power was magnified by their influence over, or control of, central banks. They have a passion for secrecy and usually work behind the scenes.

N.B. Their conquests of central Banks came after 1776. Central Banking began in Babylon

**Long Term Basis:** The Illuminati operates on the very long-range basis. Whether it will take scores of years or even centuries, they have dedicated their descendants to keep the pot boiling until they hope the conspiracy is achieved. [Myron Fagan, Editor]

**Important branch:** The secret satanic organization (Illuminati), later became the most important branch of the Jesuit order, controlling the world economy, international banking, military forces, witchcraft, and the world religions. [Alberto Rivera ex Jesuit]

**Free Masons:** The lower Freemasons have no idea that the High Shriner Freemasons are working for the Jesuit General. They think that they're just doing works and being good people. But the bottom line is that the high-level Freemasons are subject, also, to the Jesuit General [The SPECTRUM Newspaper, May 2000, The Black Pope]

**Six Basic Objectives:** The Order of the Illuminati (which means illuminated or enlightened ones) had six basic objectives in its plan of world conquest:

1. Abolition of all existing governments and the establishment of a one-world super-government,
2. Abolition of inheritance,
3. Abolition of private property,
4. Abolition of patriotism,
5. Abolition of the family,
6. Abolition of freedom. [The New World Order]

**Meyer Armchiel Rothschild:** became the main financier of the Illuminati. On May 1, 1776, the Order of the Illuminati was officially founded in the old Jesuit stronghold of Bavaria. The Jesuits would now use the Jewish House of Rothschild. [The SPECTRUM Newspaper, May 2000, The Black Pope]

# United States of America Born in 1776

## *Fleeing Roman Catholic Persecution*

It's a striking thing to see the parallel between Israel of the Old Testament and America now. Both of them were great nations. Both of them had been founded, and their people had come there because of religious persecutions.

Israel had been persecuted by Pharaoh and had been in bondage for hundreds of years, where they were deprived of worshipping the true and living God, and had been deprived of that privilege; and they become slaves. But God had made them a promise in His Bible, or in His Word, and by His prophets, that He'd give them a land. And they'd come into this

land and drove back the occupants of that land, and had possessed their inheritance, for God had a purpose of doing that.

And so is this great nation of ours. We come here, and on Plymouth Rock this nation was founded on freedom of religion because our forefathers had fled Roman persecution of the modern Jezebel system, and had come up, and stood many

*Signing the Declaration of Independence, July 4<sup>th</sup>, 1776*

great persecutions and martyrdom under that false system of Jezebel. And according to the Bible, of Revelations the 13th chapter, God had promised them an oasis and a place, for the woman was carried into the wilderness where she was fed for a time, time, and a dividing of time. God had made the promise to America, or to the church (to the woman) to come into this country.

Did you notice in Revelations 13? All the other beasts had come up out of the sea, waters; Revelations 17:15 said, "The waters which thou sawest is thickness and multitudes of people." All the other beasts, they come up out of the water, thickness and multitudes of people. But when the United States come up, "It come up out of the earth where there was no people." And remember, when it come up, it looked like a little lamb.

**Union of Independent Sovereign States:** So began the journey of the thirteen former British Colonies toward a lasting union of Independent Sovereign States.

***The Illuminati's view of America:*** They looked upon it (America) as a major threat to their plans. Early in the 1800's the establishment Times of London stated: "If that mischievous financial policy which had its origin in the North American Republic should become established, then that government will provide its own money without cost. It will pay off its debts and be without a debt. It will become prosperous beyond precedent in the history of the civilized governments of the world. The brains and wealth of all countries will go to North America. That government must be destroyed or it will destroy every monarchy on the globe. [*"Descent Into Slavery" by Des Griffin, Chapter Five*]

***Jesuits, a Dangerous Enemy:*** "It is my opinion that if the liberties of this country, the United States of America, are destroyed, it will be by the subtlety of the Roman Catholic Jesuit priests, for they are the most crafty, dangerous enemies of civil and religious liberty. They have instigated most of the wars of Europe." *France's General Lafayette*

## The Founding Fathers

*The founding Fathers knew of the Jesuit intrigue directed at the new Protestant Republic of these United States of America:*

1735-1826 (*John Adams*) wrote to President Jefferson: "I am not happy at the **re-birth of the Jesuits**. Shall we not have regular swarms of them here, in as **many disguises** as only a king of the gypsies can assume, dressed as painters, publishers, writers, and schoolmasters? If ever there was a body of men who merited eternal damnation in **Hell is this Society of Layola**. [*The New Jesuits, George Riemer*]

1743-1826 (*Thomas Jefferson*) "If the American people ever **allow the banks to control issuance of their currency**, first by inflation and then by deflation, the banks and corporations that grow up around them will deprive the people of all property until their **children will wake up homeless on the continent their fathers occupied.**"

*The Secret Societies:* In order for these groups to implement their plan they have used the secret societies such as, **Jesuits, Free Masonry and the Illuminati**. The people of this country thought we won the Revolutionary War. They were not aware of the forces at work and the covenants made through treaties, and the obligations involved, when using the king's money. Nor were they aware of the **taxation** that ensues for using the **kings money** and the **slavery** that follows. [*The History of Lawful Gold and Silver as Legal Tender,...*]

*Patriarch's:* These **patriarch's** of our country understood the dangers of banking and the men that controlled the banking institutions. The enemy that defeated this country from the very beginning was the **debt created by the use of paper money** instead of gold and silver coin. The use of **differing weights and measures** caused this country to fall prey to the international bankers. [*A country Defeated in Vic-tory*]

1732-1799 (*George Washington*) "If ever again our nation **s t u m b l e s** upon unfunded paper, it shall surely be like death to our body politic. This country will **crash.**"

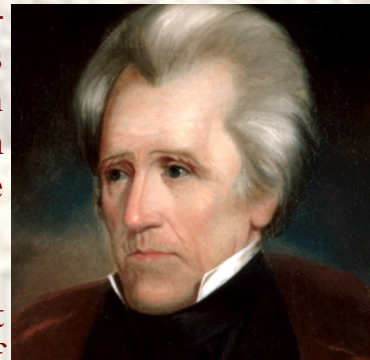

# The Siege Begins

## The First Round

**Andrew Jackson:** The first documentable evidence of Rothschild (**Illuminati**) involvement in the financial affairs of the United States came in the late 1820s and early 1830s when the family, through their agent Nicholas Biddle, fought to defeat Andrew Jackson's move to curtail the international bankers. The Rothschild's **lost the first round when in 1832**, President Jackson vetoed the move to renew the charter of the '**Bank of the United States**' (a central bank controlled by the international bankers).

Nicholas Biddle the President of the **United States Bank** said: "This worthy President (Andrew Jackson), thinks that because he has scalped Indians and imprisoned Judges, he is to have his way with the Bank. He is **mistaken.**" On January 30, 1835, the Bankers attempted to **assassinate** President Jackson. Richard Lawrence armed with two pistols an at point blank range, fired both pistols, both of which misfired spoiling the bankers plans. President Jackson said: "**the Bank is trying to kill me, but I shall Kill the Bank.**" [*A Country Defeated in Victory*]

Andrew Jackson 1767-1845

**Den of vipers:** "You are a **den of vipers**. I intend to rout you out and by the **Eternal God** I will **rout** you out. If the people only understood the rank injustice of our money and banking system." Andrew Jackson [*Secrets of the Federal Reserve*]

Jackson through his power given him under the Constitution removed the money from the **Bank of the United States** and placed it in the **State Banks**. 1837 marked the end of the **Bank of the United States**. [*A Country Defeated in Victory*]

**Retaliation:** In the year 1837, a **financial panic** hit America. Henry Clews, the famous banker, in his book, *Twenty-eight Years in Wall Street*, states that the Panic of 1837 was **engineered (by Rothschild)** because the charter of the **Bank of the United States** had been allowed to run out in 1836. [*Secrets of the Federal Reserve*]

**[Financial Panic:** It is a crisis condition, marked by overpowering alarm, in financial or commercial circles, leading to a sudden and drastic restriction of credit and great shrinkage in stock and property prices. A panic is usually followed by a wave of business failures and may be followed by a period of depression]

[Abraham Lincoln]

**Slavery and the Vatican:** In 1860 the issue before the people was slavery. The Jesuits in the Vatican were busy planning the destruction of the U.S. by sending agents into the North and South to fan the red-hot issue of slavery. God's hand was upon this nation, and Abraham Lincoln, on the 6<sup>th</sup> of November, 1860, was elected President of the United States. The Jesuit controlled (Democratic) press blasted Lincoln. Lincoln vowed he would stop slavery. [*The Big Betrayal, Chick Publications*]

**Civil War Begins:** The army of the Southern Confederate slave states fire upon the North Union troops at Fort Sumter in South Carolina on 12th April 1861.

**Illuminati's Role:** The years following Independence, a close business relationship had developed between the cotton growing aristocracy in the South [*states supporting slavery*] and the cotton manufacturers in England. The European bankers (Illuminati) decided that this business connection was America's *Achilles Heel*, the door through which the young American Republic could be successfully attacked and overcome. Their carefully sown and nurtured propaganda developed into open rebellion and resulted in the secession of the state of South Carolina on December 29, 1860 [*after Lincoln was elected President*]. Within weeks another six states joined the conspiracy against the Union, and broke away to form the Confederate States of America, with Jefferson Davis as President.

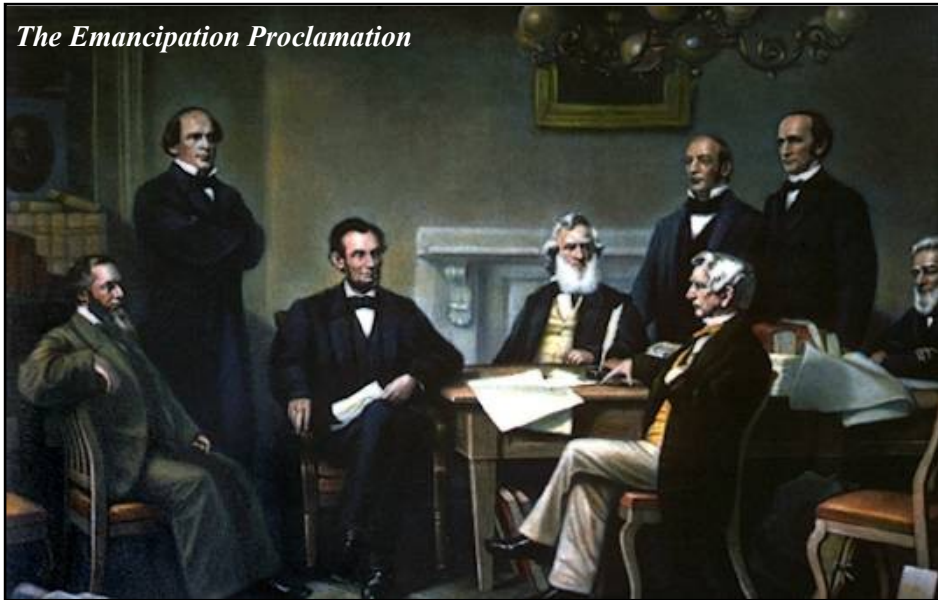

**Confederate Cabinet, 1861:**

History reveals that the Rothschilds were heavily involved in financing both sides in the Civil War. Lincoln put a damper on their activities when, in 1862 and 1863, he refused to pay the exorbitant rates of interest demanded by the Rothschilds and issued interest free United States notes. This angered them. ["Descent Into Slavery" by Des Griffin, Chap. 5]

But I may add, today, that I have a presentiment that God will call me to Him through the hand of an assassin. Let His will, and not mine, be done! So many plots have already been made against my life, that it is a real miracle that they have failed, when we consider that the great majority of them were in the hands of skillful Roman Catholic murderers, evidently trained by Jesuits” [Abraham Lincoln “Fifty Years in the Church of Rome,” by Chiniquy]

## THYATIREAN CHURCH AGE William Branham 08-12-60

*During that time it'll come to pass that--that there'll be a great woman rise up in the United States; she'll be beautifully dressed (And I got in parenthesis, perhaps the **Catholic church**. See?), that'll take **rulership over the power**, overpower the **others** in the United States. She'll be beautiful to look at, but she'll be **cruel-hearted** as she can be."*

**Relentless:** Undaunted by their initial failures to destroy the United States, the international bankers (Illuminati) pursued their objective with relentless zeal. Between the end of the Civil War and 1914, their main agents in the United States were Kuhn, Loeb and Co. and the J. P. Morgan Co. They operated anonymously in the United States behind the façade (mask) of the American J.P. Morgan and Company.

**Entrapment:** “As I have stated; the first great step of the conspiracy was to be the entrapment of our money-system. To achieve that objective; They had to get full cooperation of the then big-banker elements in America and that was easier said than done. Even in those years, wall Street was the heart of the American money mart and J.P. Morgan was its dictator. [Myron Fagon, Editor]

J.P. Morgan

**Plotting:** The international bankers were actively **plotting to reestablish a central bank under their control** in the United States. On March 13, 1907, the bankers **engineered** a financial panic which led to a depression. [The New World Order]

It was a financial crisis that had all the earmarks of a skillfully planned Rothschild **'job'**. The ensuing panic financially mined tens of thousands of innocent people across the country – and made billions for the banking elite. The **purpose** for the **'crisis'** was two-fold:

1. To make a **financial 'killing'** for the Insiders, and
2. To **impress** on the American people the **'great need'** for a central bank.

[Condensed from "Descent Into Slavery", The New World Order]

**According to Congressman Charles Lindbergh, Sr.**, "The Money Trust (Illuminatis) caused the 1907 panic, and thereby forced Congress to create a National Monetary Commission." [The Council on Foreign Relations and the New World Order]

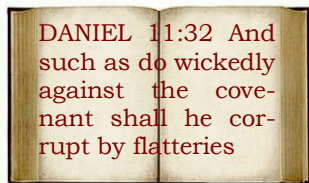

In 1908 Congress created the National Monetary Commission, whose task it was to develop a plan to deal with the periodic financial crises. [The New World Order]

## The Federal Reserve System was then Planned in Secrecy

There was an occasion, near the close of 1910, when I was as secretive – indeed, as furtive – as any conspirator... our secret expedition to Jekyll Island as the occasion of the actual **conception** of what eventually became the Federal Reserve System. [Frank Vanderlip, *The Saturday Evening Post*, February 9, 1935, page 25]

**The Mastermind: Baron Alfred Rothschild** was the mastermind behind the plan. **Paul Warburg**, a partner, was Rothschild's representative. Having drafted the architecture for a privately-owned banking system, the challenge was to figure out a way to get the U.S. Congress to approve it. [*The New World Order*]

And you people just keep your **homes** and things, but **you belong to the Catholic Church**. The **nation belongs to the Catholic Church**. The whole thing is captured right in like that **through their currency**.

### THE PERGAMEAN CHURCH AGE

**William Branham**

**07-12-1960**

And the Bible said he'd **take it by flatteries, and he did;**

**Taking The Intellectuals:** Banks have been **buying off intellectuals** for more than 90 years. Professor Murray Rothbard wrote about some of the **steps** leading to the formation of central banking in the U.S. at the **beginning of this century**:

"The big bankers realized that one of the **first steps** in the march to a central bank was to **win support** of the nation's **economists, academics, and financial experts**. ". . . The then impressive sum of **\$50,000** was raised throughout the nation's **banking and corporate community** to finance the work of the Indianapolis Monetary Commission. For New York City's large quota.. a **large contribution** came from none other than **J.P. Morgan** himself."

The two groups that would have credibility with the public—the **monetary wing** of the economics profession and **intellectuals**—had been **compromised**.

**Taking the General Public:** During the same spring of 1910, the **National Monetary Commission's** numerous research volumes on various aspects of banking poured forth onto the market. The object was to **swamp public opinion** with a parade of impressive analytic and historical scholarship, all allegedly "scientific" and "value-free," but all **designed to further the agenda** of a central bank." [LPARKS@FAME.ORG]

## SEDUCTION

**Democratic Party more vulnerable:** “Now under the Constitution; all control of our money-system is vested solely in our Congress. The next important step was to **seduce** our congress to betray that Constitutional edict by surrendering that control to the hierarchy of the **Illuminati's** great conspiracy to accomplish that he had to **get control** of either the **Republican** or the **Democratic**

**II Corinthians 11:3**

They knew that even if the Senate would pass that act; the then newly elected President Taft would promptly veto it. **So they waited.”**

**Woodrow Wilson**

**Planting the seed, and she relaxed:** "In 1912; their man, **Woodrow Wilson** (Democrat), was elected to the presidency. Immediately after Wilson was inaugurated.; the Federal Reserve Act was **railroaded** through both houses of Congress and Wilson promptly signed it and the Federal Reserve Act became law. That **heinous act of treason** was committed on December 23, 1913; **two days before Christmas** when all the members of Congress, except for several carefully picked Representatives and three equally carefully picked Senators, **were away** from Washington. Our founding-fathers knew full-well the power of money. They knew that whoever had that power **held the destiny** of our nation in his hands. Therefore; they **carefully guarded this power when they set forth in the Constitution.** [Myron Fagon]

**Deceitful practices:** Digging deep into their **bag of deceitful practices**, the international bankers had pulled off their greatest coup to date -- the creation of the privately owned Federal Reserve System, which placed control of the finances of the United States securely in the hands of the power-crazed money monopolists. **Paul Warburg** became the **'Fed's' first chairman.** [“Descent Into Slavery” Des Griffin, Chapter Five]

**Deuteronomy 25:13**

Thou shall not have in thy **bag diverse weights**, a great and a small.

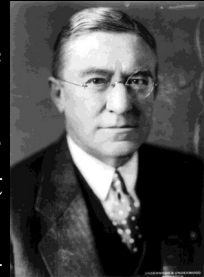

**Amos 8:5** ...making the ephah small, and the shekel great, and **falsifying the balances by deceit?**

# The Real Owners of the Federal Reserve Bank (FED)

The Federal Reserve System takes in roughly **one trillion** dollars yearly. Some of its stockholders are identified as: Rothschilds of London and Berlin; Lazard Brothers of Paris; Israel Moses Seif of Italy; Kuhn, Loeb and Warburg of Germany; and the Lehman Brothers, Goldman, Sachs, and the Rockefeller families of New York. The stockholders are **not you nor I, not America, not the U.S. government.** They are a consortium of **private international banking families** and their stockholders!" [WHYA BANKRUPT AMERICA?]

Chairman Louis T. McFadden of the House Banking and Currency Committee, addressed the House on June 10, 1932:

"Some people think the Federal Reserve Banks are U.S. government institutions. They are **not government institutions.** They are **private credit monopolies** which prey upon the people of the U.S. for the benefit of themselves and their foreign and domestic swindlers, and rich and predatory money lenders."

[Deut. 28: 15 & 41-44] <sup>15</sup>But it shall

come to pass, if thou wilt not hearken unto the voice of the LORD thy God...

<sup>41</sup>Thou shalt beget sons and daughters, but thou shalt not enjoy them; for they shall go into captivity. <sup>42</sup>All thy trees and fruit of thy land shall the locust consume. <sup>43</sup>The stranger that is within thee shall get up above thee very high; and thou shalt come down very low. <sup>44</sup>He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail.

## The Fed Bankers Speak:

Paul Warburg (drafter of the Federal Reserve Act):

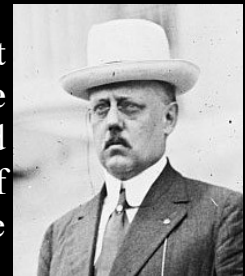

"Whoever controls the volume of money in any country is **absolute master** of all industry and commerce." Meyer Amschel Rothschild once commented: "Give me control of a nation's money and I **care not** who makes the laws."

1921, William P.G. Harding, Second Governor of the Federal Reserve, stated:

"From a legal standpoint these banks are **private corporations**, organized under a special act of Congress, namely, the Federal Reserve Act.

They are **not** in the strict sense of the word **Government banks**"

# The Mystery (Babylon) of Central Banking

**Babylon and Banking:** Banking originated in Babylonia out of the activities of **temples and palaces** which provided safe places for the storage of valuables, between BC 3000 - BC 2000 [A Comparative Chronology of Money from Ancient Times to the Present Day]

**Joel 3:5** Because ye have taken my silver and my gold, and have carried into your temples my goodly pleasant things:

It is **not written** into the U.S. Constitution. Still, the complex governance structure, combined with the fact that so **few people understand** what it does, gives the **FED** an air of **mystery** which often allows it to escape the public - and congressional - scrutiny. One **former Fed official** compared the Federal Reserve System to the **Catholic Church**:

The System is **just like the Church**. That's probably why I feel so comfortable with it. It's got a **pope**, the chairman; and a **college of cardinals**, the governors and bank presidents; and a **curia**, the senior staff. The equivalent of the **laity** is the commercial banks. If you're a **naughty parishioner** in the Catholic Church, you come to confession. In this system, if you're naughty, you come to the Discount window for a loan. We even have different **orders** of religious thought like **Jesuits** and **Franciscans** and **Dominicans** only we call them pragmatists and monetarists and neo-Keynesians. [Quoted in Greider, William, *Secrets of the Temple*, pg. 54.]

## The Income Tax Trap

**Why:** Why was a personal, progressive Income tax placed upon *We the People* in 1913 - the same year as the Fed came into being? How else could the kingpins of the Fed finance all this interest charged against bogus currency? [Why a Bankrupt America]

***The Rejected King***

**Confiscation:** The Federal Reserve System gave the conspirators complete control of our money-system; but it in no way touched the earnings of the people because **the Constitution positively forbids** what is now known as the 20%+ withholding tax. But the Illuminati-blueprint for one-world-

**And Samuel tried to tell them that that would not work. And, said, "besides all that, he'll take a certain taxes off of you, of your grain and all your income. He'll tax all of that, to make certain government debts. The people said, "But we still want to be like the rest of the people."**

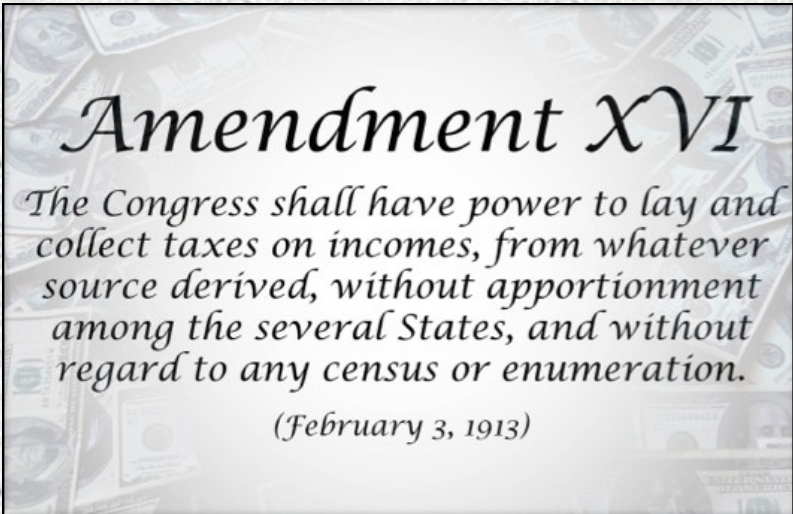

enslavement called for the **confiscation** of all private property and **control of individual earning-powers**. This had to be accomplished by a **progressive graduated income-tax**. Thus; only an **Amendment** to the Constitution could give the federal government such confiscatory-powers.

**Federal Income Tax Law:**

Nobody ever realized that the **16th amendment** was set up to rob, and I do mean rob, the people of their earnings via the **income-tax provision**. That 16th Amendment income-tax trap was intended to confiscate and rob the earnings of the common herd; **you and me**. It was not intended to even touch the huge incomes

of the **Illuminati gang**, the **Rockefellers**, the **Carnegies**, the **Lehmans**, and all the other **conspirators**.

**Tax Free Foundations:** "So together, with that 16th Amendment; they created what they called the "tax-free foundations" that would enable the conspirators to transform their huge wealth into such so-called "foundations" and **avoid payment** of virtually all income-taxes. The excuse for it was that the earnings of those "**tax-free foundations**" would be devoted to humanitarian-philanthropy. So we now have the several Rockefeller Foundations, the Carnegie Fund, the Ford Foundation, the Mellon Foundation, and hundreds of similar "tax-free foundations." [Myron Fagon, Editor]

We are busted in this nation, just about. We are borrowing on tax that'll be paid in forty years from now, they tell me, so they said on Life Line. Taxes, we're spending now, will be paid forty years from now. My little grandson, if Jesus tarries, the taxes that he will pay when he is forty years old, we are spending on it now. Sending to foreign aid, and our own Indians and things starving to death; trying to buy fellowship. You don't buy fellowship. You don't buy a friend. No, but that's what we are doing. **That's the way we are set up, taxing people to everything they can get onto, tax, tax, tax.** And we'll not be out of war debt for— for hundreds of years yet, I suppose, that we been thrown into by politicians. And now we shouldn't be that way. There is no reason for us to be that way. But the churches, themself, has become rich. "Pretty near the wealth of the world," says the Bible, "lays in the Catholic church."

## Warfare in the Mind Age - The C. F. R

On February 5, 1891, a secret association known as the **Round Table Group** was formed in London by **Cecil Rhodes**, his banker, **Lord Rothschild**, the Rothschild in-law, Lord Rosebery, and Lord Curzon. **The Council on Foreign Relations (C.F.R.)** was created as the **American branch** in New York on July 29, 1921. Founding members included Colonel House, and "...such potentates of international banking as J.P. Morgan, John D. Rockefeller, Paul Warburg, Otto Kahn, and Jacob Schiff...the **same clique which had engineered the establishment of the Federal Reserve System.** [Gary Allen in the October 1972 issue of *American Opinion*]

John D. Rockefeller

It was formed to gain control of the United States economically, politically and spiritually in slow, **gradual steps**. Simultaneously; the Rothschilds (**Illuminati**) set up similar CFR-like control-groups in England, France, Germany, and other Nations to control world conditions and cooperate with the CFR. But the CFR's first and foremost job was to get **complete-control of our mass-communications media**. The control of the press was assigned to **Rockefeller**.

**Taking the Written Media:** The late Henry Luce, was financed to set up a number of national magazines, among them **"Life," "Time," "Fortune,"** and others, which publish "U.S.S.R." in America. The Rockefellers also directly or indirectly financed the Coles Brothers' **"Look Magazine"** and a chain of newspapers. The late Eugene Myer, one of the founders of CFR, bought the **"Washington Post," "Newsweek,"** the **"Weekly Magazine,"** and other publications. At the same time; the CFR began to develop and nurture a new-

**breed of scurrilous columnists and editorials-writers.** Now if you still wonder about this slanted news and outright lies you read in your newspaper; you now have the answer. All that took time of course.

**Radio, Television & Hollywood:** To the Lehmans, Goldman-Sachs, Kuhn-Loebs, and the Warburgs (FED BANK OWNERS); the CFR assigned the job of getting control of the motion-picture industry, **Hollywood, radio, and television;** and believe me they succeeded. If you wonder about all the **smut, sex, pornography,** and

**mixed-marriage films** you see in your movie-theater and on your television set (*all of which is demoralizing our youth*); you now have the answer. [By Myron Fagon, Editor]

**Sports:** They're the ones in the government. They're the ones behind professional sports. All your top owners of these ball clubs, for the most part, are Knights of Malta. Another one they used was Walt Disney, 33rd-degree Freemason—Disneyworld, Disneyland. They create all of these amusements and games and pastimes to get the people drunk with

pleasure, while they're busy overthrowing the Protestant form of government. [The SPECTRUM Newspaper, May 2000, *The Black Pope*]

**Surrender of the sovereignty:** "The most powerful clique in these elitist groups have one objective in common. They want to bring about the **surrender of the sovereignty** of the national independence of the U.S.A.." [Rear Admiral **Chester Ward** - former member of the CFR for 16 years]

# The Mystery of Central Banking

Central Banking had its Genesis (seed) in Babylon

The first official banking laws were part of the Code of Hammurabi back in ancient Babylonia (750 B.C.). These **Babylonian banks**, “by the detailed organization, by the number of branches and employees, by the daily records and accounts kept of the capital invested in them, may well be compared with the greatest banks of the nineteenth and twentieth centuries A.D.”

*A Brief History, by Dee Hock, Origins of Money*

## HISTORY OF BANKING

Banking activities were sufficiently important in Babylonia in the second millennium B.C. that written standards of practice were considered necessary. ...Deposits were not of money but of cattle, grain or other crops and eventually precious metals.

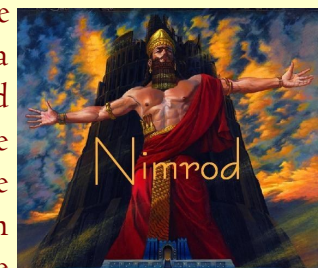

**Man Shall Not Live By Bread Alone |**  
**Vinworth Dayal | 27/04/08**

A power shift, there is a transfer of wealth that is taking place. The Jews will be trapped he says. A hunter sets a trap and there is a mighty hunter who has a plan to unite the world and be enthroned as God. Nimrod had such a plan in Genesis. And so Nimrod (the first seal), he went forth with that false doctrine that he was “the woman’s seed”; (second seal) he went forth with taking peace from the earth inventing weapons, conquering territory; (third seal) he controlled resources, economics; (and the fourth seal) he united the world together and then he was enthroned as God and every body had to come and worship at Babylon. But before they came to that world state the world split, in the days of Peleg.

HANDWRITING ON THE WALL | William Branham | 58-06-18

Now, our subject starts tonight with one of these junctions. And that was... Our scene opens up in Babylon. And Babylon appears in the first of the Bible; it appears in the middle of the Bible; and it appears in the last of the Bible. Now, there is nothing on earth now but what always has been. It come out of Genesis, every ism. If you'll go back and study close, you'll find that every ism on the earth today, begin in Genesis.

## In Babylon the religious groups controlled the finance and the trade

**In Babylon banking was controlled and administered from the temples.** The temples in Babylonia made loans from their treasuries as early as 2000 BC. [Religion and banking worked together.]

## The Three Curtains Part 3 | Bro Vinworth Dayal | 12-10-2008

Babylon was prophesied to rule the world, mystery Babylon was prophesied in the going out of the gentile dispensation to do the same as when Babylon ruled the world in the coming in of the Gentile dispensation. The same way the gentile dispensation came in the same way it goes out. And what started as wars for conquest and markets and trade routes ended up with worship to an image.

## The Babylonian Influence on the church in the time of Jesus

### Man Shall Not Live By Bread Alone | Bro Vinworth Dayal | 27/04/08

And all the way through Jesus ministry he had to multiply bread, he had to get money out of a fish mouth to pay taxes. What does this tells you? The economics, **the money changers get in the church.** The big bankers and the foreign exchange. Because, **church and bank and all these things was working together**, it was getting political, and it got corrupted under the Roman power.

**MARK II:15** And they come to Jerusalem: and Jesus went into the temple, and began to cast out them that sold and bought in the temple, and overthrew the tables of the moneychangers, and the seats of them that sold doves;

# THE NEW BABYLON – A MYSTERY

## BABYLON

“MYSTERY BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.”

### PERGAMEAN CHURCH AGE

William Branham | 60-12-07

Now, that's why I go back to pick up this history out of the church history, finding where--to what taken place when He said, "You are dwelling where Satan's seat is." I thought, "Well, where could that be, a certain thing, Satan's seat?" Then I find out that this great king, after he was fleeing from the conquering Persians that taken over (according to Daniel's vision), he came to this city of Pergamos, at **Rome**, and there made his headquarters. Satan shifted his headquarters from Babylon to Pergamos, where (future) he would start the new Babylon. Oh, my. Now, you get the backgrounds where we're at. All right.

### The Three Curtains Part 3 Bro Vinworth Dayal

I am showing trying to show you how Babylon with her king and her invading forces went forth conquering and to conquer. In the earth she was devouring up nations in the earth, in the earth she was taking resources, controlling trade routes, she was taking control of markets and she was putting them under heavy taxes like the IMF and the World Bank, with the small nations, like how this whole Caribbean region is to these powers.

The Jesuit Order presently also controls various other organizations together with the [Military Order of Malta](#) (see below), such as the [United Nations](#), [NATO](#), [European Commission](#), [Council on Foreign Relations](#), various central banks, big corporations, secret services, and numerous societies and cults, such as [Freemasonry](#) ("The Brotherhood") and [Opus Dei](#).

The Jesuits & SMOM mafia network is supported by many of the [wealthiest families in Europe and the US](#) (often called the "[Black Nobility](#)") and the high-level masons within certain 'elite' secret societies. Examples are the prominent, but certainly not the most powerful, [Rothschild family](#) (Knights of Malta) and the [Rockefeller family](#) (Knights of Malta, who got started using Rothschild financing for American [oilfield exploitations](#)).

**The Military Order of Malta** ("Knights of Malta"), is one of the oldest and most elite Vatican military orders in the network of Roman Catholic organizations. **The knights control the money.** The High Knights of Malta, who meet in their palace on Aventin Hill, in Rome, of course, meet with the Jesuit General, and so on. And Count von Hoensbroech, who was a German noble who became a Jesuit for 14 years he wrote a two volume work called Fourteen Years as A Jesuit. His father was a knight of Malta. Yes, the **Jesuits work in conjunction and have regular meetings with the knights of Malta.**

The **knights control the money, The Knights control the banks.** They control the Bank of Canada, Federal Reserve Bank, Bank of England; they control the banking.

*"These three financial families, the Rothschild's, Morgans, and Rockefeller's all do the bidding of the Jesuit Order because of Jesuit infiltration in their organizations. They do whatever is necessary to destroy constitutional liberty in America and to bring the pope to world domination. As we look back over the 20th century, we see how successful the Jesuits have been. They have continually squander the wealth of America and continually attack its great constitution and civil liberties. Daily, the power of the pope in Vatican City increases. One day they will achieve total power again."*

*These wealthy families function as financial supporters and proxies for the larger Jesuit & SMOM mafia banking operations.*

## Masonic cities

The Vatican-Jesuit-Masonic network operates mainly out of the following cities:

[Vatican City](#), Rome, Italy. (**religious center**) (sovereign state since 1929)

[City of London](#), London, United Kingdom. (**economic center**) (sovereign state since 1649, owned by the [City of London Corporation](#))

## Bank for International Settlements (BIS) [The World](#)

### [Central Bank](#): "Tower of Basel"

## He who owns the gold, makes the rules

Posted: July 12, 2002, By Joan Veon

[Bank for International Settlements \(BIS\)](#) © 2008 WorldNet-Daily.com

When the BIS holds its annual meeting, those who **control the world's monetary system – the central bank ministers** of the world, who look like ordinary businessmen – walk over from the nearby hotels. Once a month, the Group of Ten Central Bank governors meet to determine currency values, international banking rules and regulations, which country is going to grow and which country might even need sanctions.

What really sets this bank apart from all the other central banks is that **it lends to other central banks and does business only in gold.** According to their annual report, they have assets of **192 tons of gold.**

## The Apex of the System

This **new world economic order** has been evolving since 1930 when an American, Owen Young, became the designated creator of the "central bank's bank." In his book, "Tragedy and Hope," Dr. Carroll Quigley, Bill Clinton's mentor at Georgetown University, said this,

*The powers of financial capitalism had another far-reaching aim, nothing less than to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole.*

*This system was to be controlled in a **feudalistic fashion by the central banks of the world** acting in concert, by **secret agreements** arrived at in frequent private meetings and conferences. The **apex of the system was to be the Bank for International Settlements**, a private bank owned and controlled by the world's central banks which were themselves private corporations.*

*Each central bank sought to dominate its government by its ability to control treasury loans, to manipulate foreign exchanges, to influence the level of economic activity in the country, and to influence cooperative politicians by subsequent rewards in the business world."*

Carroll Quigley, Tragedy and Hope, 1966 - Georgetown University professor

Interestingly enough, we now live in a world in which there are no financial boundaries. Working through the Group of Seven and beginning in 1980, it was the BIS which helped to tear down these borders, thus creating a stateless flow of \$1.9 trillion which runs around the world on a daily basis looking for the highest return or quickest play. In turn, the need to **manage this global game of financial roulette** has allowed the BIS to develop rules and regulations to **bring all of the world monetary systems into compliance with them.**

**First**, in 1913, Congress voted to transfer their control of our financial system to this private corporation. The Federal Reserve joined the Sveriges Riksbank (Sweden) founded in 1688, the Bank of England in 1694, the Bank of France in 1803, the German Bundesbank in 1870, the Bank of Japan in 1882 and the Bank of Italy in 1893 in transferring monetary control to a private corporation. Their goal is to **lend money to their respective governments so that they will pay them interest forever!** If you doubt this arrangement, your dollar is a "Federal Reserve Note." This is why "we the people" cannot forgive ourselves the interest on our debt. We don't owe it to the Treasury!

**Second**, when the financial barriers between countries came down, it created the need for more central-bank oversight. As a result, the mandate of the BIS to create new rules, regulations and supervision – in areas that it heretofore had no control – increased. Hence, when the G7 called for "**strengthening the International Financial Architecture**," it allowed them an **official mandate to seize control of new areas.**

**Third**, Congress has transferred the oversight for corporate accounting to an international foundation that is developing international accounting rules. Its chairman of the Board of Trustees is former Federal Reserve Chairman Paul Volcker. In short, the **wolves (international bankers) are now chasing the foxes (all those who already have access) to the chicken coop which is the investments and savings of you and me.**

## The World has \$54.31 trillion of external debt: exactly who is the World indebted to?

### How do countries fare in this “Wealth is Debt” game?

The following table available through the [CIA Fact Book](#) is a list of the top 14 indebted countries. It is the [external debt](#) of each country defined as “the total public and private debt owed to nonresidents repayable in foreign currency, goods, or services.” It clearly shows that the wealthiest countries in the world have the largest external debt.

The chart also indicated that [The World](#) is \$54.31 trillion in debt. The CIA Fact Book states that “this figure is the sum total of all countries' external debt, both public and private.” So who exactly is this "external" entity that the World is indebted to? The CIA table lists [199 countries that have external debt](#) - the World debt is the sum total of these. Since the UN only recognizes 192 countries we can safely rule out any country being owned \$54 trillion. So unless we have borrowed money from an off world source, there are other players in the game. Some of those players, as many have already figured out, are the [central banks of the world](#), one of the largest of which is the [Federal Reserve System](#) in the [United States of America](#).

## Universal Debt Slavery

This means that the central banks of the world own The World. This is why they have been given free reign to do as they please with the global economy, and why they have [waged war against any organization that threatens their banking plutocracy](#). They have done this by eliminating private individuals and corporate entities that dare create their own [non-fiat currencies](#), usually backed by precious metals, based on an [interest-free, community-controlled system](#).

So how does each country fare in their present accounting practices? The following table is a list of the top and bottom ten countries based on their [current account balance](#) as listed in the CIA Fact Book. That China has the best

balance sheet and the United States the worst correlates quite well with what is presently happening with their currencies and economies.

The Knights include many current heads of state, industry, media and entertainment. For a contemporary example, check out right-wing Christian extremist Joseph Schmitz. Operating under his department shield - "Always Under The Protection Of The Almighty" - this Pentagon's Inspector general brought scandal after scandal to the almighty while overseeing military contractors for the Bush White House from 2002 to 2005. At least 149 contracts totaling more than **\$42 billion** were covered-up by Schmitz as corporations like Halliburton, KBR, Bechtel, Fluor, CACA, Triple Canopy, Dyna Corp and Blackwater cashed in on the crushing of urban Iraq. Schmitz blocked many Congressional probes into graft, corruption and profiteering by such Luciferian-style

# Their Power To Destroy

## Power to Create is Power to Destroy

**Joel 1:6** For a nation is come up upon my land, strong, and without number, whose teeth *are* the teeth of a lion, and he hath the cheek teeth of a great lion.

Former Federal Reserve Chairman Paul Volcker has also warned us: “The truly **unique power** of a central bank, after all, is the power to create money, and ultimately **the power to create** is the **power to destroy**.”

### Illuminati's

**Plan:** “Panics and financial depression would ultimately result in World Government, a new order of one world government.” (*Secrets of the Federal Reserve*)

### Depression will be Created:

“the invisible government of the **monetary power** will be legalized....The greatest crime of the ages is **perpetrated by this banking and currency bill**. The new law will create inflation whenever the trusts want inflation. From now on depression will be scientifically created.”

*(Charles A. Lindberg, Sr. at the time of the passage of the Federal Reserve Act in 1913)*

The Board room of the Federal Reserve Board of Governor

### Preconceived Plan to

**Destroy:** George W Malone, U.S. Senator from Nevada speaking before Congress in 1975 alluded to the families that secretly own the Federal Reserve Bank and control the finances of the U.S: it adds up to a **preconceived plan to**

**destroy the economic and social independence** of the United States.

# Destroying from within: Depressions

*Daniel 8:24 ... and He shall destroy wonderfully.*

## **Loosing of the Four Angels Who are Bound in the River Euphrates | Vinworth Dayal | 1993**

When you are fighting your enemy you have to know their strength. That is why Titus and they cut off their trade routes. Because they knew the way to cripple the nation was to starve them; was to break the economy.

## **Ramses & Moses Pt. 6 | Vinworth Dayal | Feb 2nd 2000**

*Revelation 13, is the United States of America and notice there is only rich and poor no in between, the middle class is destroyed.*

## **Destroying the financial opposition:**

The 'Financial panic' was used again (By the Illuminati Bankers) as an instrument of power over the business and financial community. In 1920, it **caused the Agricultural Depression**, because state banks and trust companies had refused to join the Federal Reserve System. The main job of the Federal Reserve System was to break these small country banks and get back the money which had been paid out to the farmers (**who had become wealthy and were anti-FED**) during WWI, in effect, ruing them, and this it proceeded to do. (*Secrets of the Federal Reserve*)

## **Destroying the Middle Class**

The Jesuits are the **true authors of socialist-communism**. The **economic system of the Dark Ages was feudalism** consisting of the **few rich landowners** and the **many poor peasants**. It was a sin to make a profit by anyone other than the feudal lords. Thus, if the world is to be returned to the Dark Ages, the **Protestant middle class must be destroyed**. (*The SPECTRUM Newspaper, May 2000, The Black Pope*)

**Behind the scenes:** The elitists (illuminati) were plotting their next major moves toward world domination. Through the Federal Reserve System, which they owned, **they created the stock market crash on October 29, 1929**. The insiders made millions of dollars of quick profits by selling short, while ordinary investors were wiped out. (**The value of the stocks that they had invested their savings in, fell to almost zero, plus money that they had borrowed on margin and on their homes to buy stocks, still had to be repaid**). This lead to the Great Depression, which persisted through most of the 1930's. (*New World Order*)

A. Greenspan - Former Chairman of the Federal Reserve

## **Alan Greenspan: It was the FED:**

“As for Mr. Wilson’s attempt to blame the “Dirty Thirties” (and recessions) on free enterprise, I refer him to an article written by U.S. Federal Reserve Chairman, **Alan Greenspan**, entitled “**Gold and Economic Freedom.**” Mr. Greenspan explains that it was the **unbridled credit expansion by the Fed** in the 1920s that **created the 1930s depression.** In essence, the Fed **flooded the economy with paper money thus creating an artificial boom.** In order to prevent hyperinflation, it retracted credit causing a **bust in the stock market,** followed by a **depression**” [Published in the *Globe and Mail* 19-10-95]

**The Stock Market was the Bait:** John J. Raskob (**Illuminati’s Knights of Malta**) vice president of the DuPont Company and the General Motors Corporation, declared that anyone who invested \$15 a month in the stock market could make **\$80,000** in 20 years. Such **promises** of wealth **convinced** many Americans to buy stocks. Stock prices had risen gradually since the early 1920’s, but they skyrocketed in 1927 and 1928(**the period when the Fed started pumping money into the economy**) The average price of stocks on the New York Stock Exchange nearly **tripled** from 1925 to 1929. This sort of profit was **irresistible** to investors...**it led more Americans than ever to invest in the stocks of corporations.**

**Speculation:** The upswing **led to widespread speculation**, which pushed the value of stocks **far beyond the level justified.** Much of the speculation involved **buying stocks on margin**; that is, paying a fraction of the cost **and borrowing the rest.**

**Borrowing on Margin:** Through the miracle of buying stocks on margin, one could buy stocks without the money to purchase them. Buying stocks on margin functioned much the same way as buying a car on credit. Mr. John Doe could buy 1 share of the company by putting up \$10 of his own, and **borrowing** \$75 from his broker. If he sold the stock at \$420 a year later he would have turned his original investment of just \$10 into \$341.25 (\$420 minus the \$75 and 5% interest owed to the broker. [by Paul Alexander Gusmorino 3rd]

**Fed Bankers New Crash was Coming:** The Federal Reserve Board had already warned the stockholders of the Federal Reserve Banks to get out of the Market, on February 6, 1929, but it had not bothered to say anything to the rest of the people. Nobody knew what was going on except the Wall Street bankers who were running the show. [*The Secret of The Federal Reserve*]

**Trapped by Credit:** Radio commercials persuaded listeners to spend a larger share of their rising income. Stores developed installment payment plans and urged customers to "Buy now, pay later." The concept caught on quickly. By the end of the 1920's 60% of cars and 80% of radios were bought on installment credit. This strategy created artificial demand for products which people could not ordinarily afford. It put off the day of reckoning, but it made the downfall worse when it came. Much of the wages went to paying back past purchases. [*by Paul Alexander Gusmorino 3<sup>rd</sup>*].

## **The Day of Reckoning: They roared like lions and Tigers**

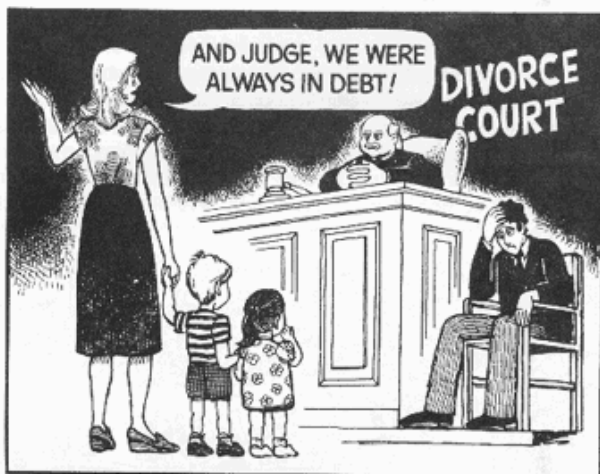

The United States had been building up to a crash for a long time. On **Black Tuesday**, Oct. 29, 1929 the market collapsed. In the words of a gray haired Stock Exchange guard, "They roared like a lot of lions and tigers. They hollered and screamed, they clawed at one another's collars. It was like a bunch of crazy men. Every once in a while, when Radio or Steel would take tumble, you'd see some poor devil collapse and fall to the floor. In a single day, sixteen million shares were traded--a record--and **thirty billion dollars** vanished into thin air.

The "Era of Get Rich Quick" was over. Cynical New York hotel clerks asked incoming guests, "**You want a room for sleeping or jumping?**" [*Contributor: E. David Cronon, Ph.D., Prof. of History, Univ. of Wisconsin, Madison*]

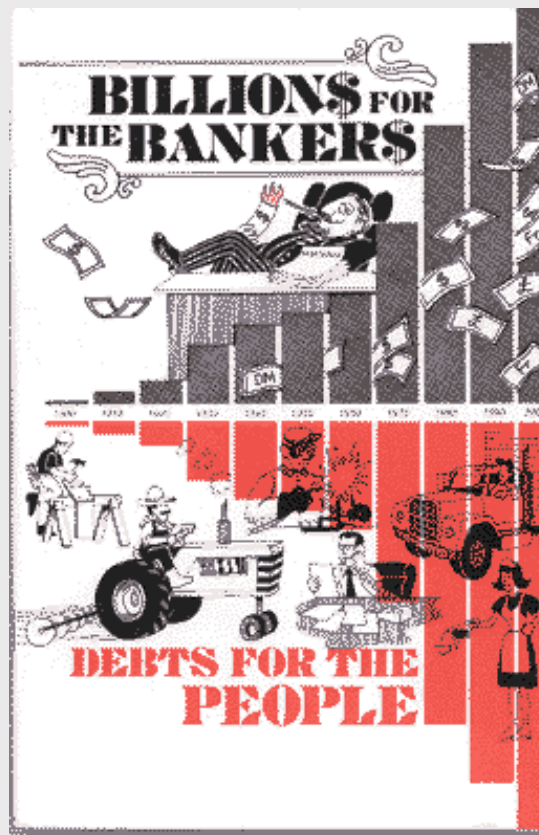

**Bankrupt:** By 1933 The U.S. Federal Government declared itself Bankrupt.

## Destroying the family

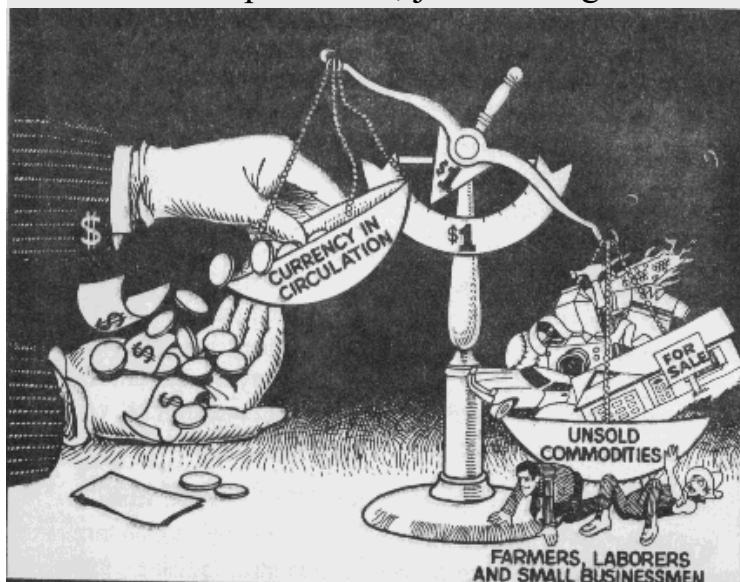

Americans, living in what is called the richest nation on earth, seem always to be short of money. Wives are working in unprecedented numbers, husbands hope for overtime hours to earn more, or take part-time jobs evenings and weekends, children look for odd jobs for spending money, the family debt climbs higher, and psychologists say one of the biggest causes of family quarrels and breakups is "arguments over money." Much of this trouble can be traced to our present "debt-money" system.

## Bankers' Depression of the 1930's

In the early 1930s, bankers, the only source of new money and credit, deliberately refused loans to industries, stores and farms. Payments on existing loans were required however, and money rapidly disappeared from circulation. Goods were available to be purchased, jobs waiting to be done, but the lack of money brought the nation to a standstill.

By this simple ploy America was put in a "depression" and bankers took possession of hundreds of thousands of farms, homes, and business properties. The people were told, "times are hard" and "money is short." Not understanding the system, they were cruelly robbed of their earnings, their savings, and their property.

# Looking Back To The Great Depression

## Human Suffering & The Great Depression

**Jeremiah 29:17** Thus saith the Lord of Hosts: behold, I will send upon them the **Sword**, the **famine** and the **pestilence** and I will make them like vile figs..... they are so evil.

**Pauperized:** From 1930 to 1933, prices of industrial stocks fell about 80 percent. **Banks and individuals with investments in the stock market lost large sums.** Banks had also loaned money to many people who could not repay it. The deepening depression forced large numbers of people to withdraw their savings. Banks had great difficulty meeting their withdrawals, which came at a time when the banks were unable to collect on many loans between January 1930 and March 1933, about **9,000** banks failed. The bank failures wiped out the savings of millions of people.

**Human suffering became a reality for millions** of Americans as the depression continued. **Many died of disease** resulting from **malnutrition**. Thousands **lost their home** because they could not pay the mortgage. In 1932 at least **25,000** families and more than 200,000 young people wandered through the country seeking food, clothing, shelter and a job. Many youths traveled in freight trains and lived near train yards in camps called **hobo jungles**. The travelers **begged for food or stole** it if they could not get something to eat in any other way, sometimes **they ate out of garbage cans**.

# 10 miles wide and 10 miles long

New York Hooverville in 1930

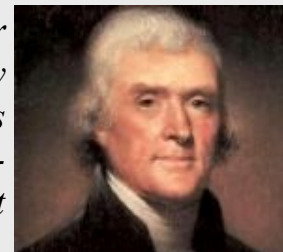

Many people who lost their home remained in the community. Some crowded into the home of a relative. Others moved to a shabby section of town and built shacks from flattened tin cans and old crates. Groups of these shacks were called Hoovervilles, a name that reflected the people's anger and disappointment at President Hoover's failure to end the depression.

Peggy Terry, who grew up in Oklahoma during the depression, recalled a visit to a Hooverville in Oklahoma City, "Here were all these people living in **old rusted-out car bodies**. One family....(was) living in a piano box. This wasn't just a little section, this was maybe **10 miles wide and 10 miles long**. People living in whatever they could junk together....."

1743-1826 Thomas Jefferson *"If the American people ever allow the banks to control issuance of their currency, first by inflation and then by deflation, the banks and corporations that grow up around them will deprive the people of all property until their children will wake up homeless on the continent their fathers occupied"*

Thomas Jefferson

# Still Conquering: Roosevelt the Rascal

**Franklyn Delano Roosevelt**

REVELATION CHAPTER ONE | William Branham | 04-12-60

Look at the prophecy the Lord give me in 1933, how it would happen. America with this President Roosevelt will be the rascal of all of them." And that's right; he was;

THE REJECTED KING | William Branham | 15-5-60

And Samuel tried to tell them that that would not work. And, said, "He'll tax all of that, to make certain government debts, and so forth, **that will have to be paid.** The people said, "But we still want to be like the rest of the people."

The CFR gets its first President: By 1932, **12,000,000** were jobless. The **Council of Foreign Relations (C.F.R.)** now brought forth its **first member** to become a presiden-

tial candidate, **Franklin Delano Roosevelt.** Due to the economic collapse engineered by the globalists, Roosevelt defeated Hoover by a wide margin in the election of November 1932.

LEAN NOT UNTO THY OWN UNDERSTANDING |

William Branham | 20-01-65

We are **busted** in this nation, just about. **We're borrowing on tax that'll be paid in forty years from now** they tell me, so they said on "**Lifeline.**" **Taxes, we're spending now, will be paid forty years from now.**

PERGAMEAN CHURCH AGE | William Branham

This country said, "Well, if Mr. Kennedy gets elected, the Catholics will take over." Take over? **They already did it a long time ago and you didn't know anything about it.** Who pays their teachers? How do they get these things to go to their schools, and teaching Catholicism right in the school? And you **taxpayers pay for it.** Oh, right under your nose (See), like that. Oh, my, how he worked in. The bible said he'd **take it by flatteries, and he did.** See? That's right. See, **pay taxes on nothing.**

Issuing FED Bank Notes: On March 9, 1933, Congress passed the Emergency Banking Act. This allowed **Federal Reserve Bank notes to be issued.** [*The New World Order*]

Declaration of Bankruptcy: Roosevelt issued a series of Executive Orders in, the effect of which was to **declare the United States Government bankrupt.** Our government in effect became a bankrupt corporation **controlled by its creditor, the Federal Reserve System.**

Capturing the Gold: On April 19, 1933, the **gold standard was dropped.** Gold coins were withdrawn from circulation - a polite way of saying **confiscated** from the public. Dollars could no longer be redeemed for gold. The abandonment of gold effectively strengthened the power of the monetary authorities **to create money out of nothing.**

Agency to collect Taxes: On July 12, 1933, the **Internal Revenue Tax and Audit Service** was formed for the purpose of **collecting taxes for the Fed.** It exists today as the Internal Revenue Service, part of the Treasury Department, still collecting income taxes for the Fed.

Tying the people to the Federal Government Debt: In 1940, the Buck Act passed. This **created the presumption** that we are **citizens of Federal government,** rather than **citizens of our respective sovereign states** and thus **slaves on the federal plantation** who are **liable** for the *Federal government's* ever-expanding debt. [*The New World Order*]

Down Payment: The **theft of this countries gold was a down payment for the bankers.** Another part of the deal was that the United States was not collecting enough money in **taxes to pay the interest,** so the American people had to be conned into entering a **social security contracts** that would make the American people legally bound to the bankers in voluntary servitude. [*A Country Defeated in Victory*]

Full implementation of income Tax: "The plotters didn't fully use the income tax provision until World War II(1943) when Franklin Roosevelt, applied a 20% withholding-tax on all small wage-earners and up to 90% on higher incomes. [*By MYRON FAGON, Editor*]

Past & Present: **In 1910 the U.S. Federal debt was only \$1 billion, or \$12.40 per citizen. State and local debts were practically non-existent. State and local debts are now more than the Federal debt, and business and personal debts totaled over \$6 trillion, 3 times the value of all land and buildings in America.** [*Taken from article, Billions for the Bankers; Debts for the people*]

## **SEVENTY WEEKS OF DANIEL | William Branham | 06-08-1961**

Now, in 1933 when we were worshipping over here in the **Masonic temple** where the Church of Christ stands today, on **one April morning** before leaving home, I was dedicating my--a car (I got a '33 model car, and I was dedicating it to the Lord's service.), **and in a vision I saw the end time.** Now, notice how striking this is....

## **THYATIREAN CHURCH AGE | William Branham | 08-12-1960**

And now, and as I started to Sunday school I fell into a trance. We was having it over here at the old Masonic home, Charlie Kurn's place, little group of us. **And I seen this President Roosevelt leading the world to a world war:** predicted. I said, "And there's **three isms:** the **Nazi**, and the **Fascism**, and **Communism.**"

## **CONDEMNATION BY REPRESENTATION | William Branham | 13-11-1960**

We will be in war with Germany. Watch Russia. (Now, that's...) Communism, Nazism, and Fascism... Watch Russia. But that is not the main one to watch....Now, look what happened now. In.. President Franklin D. Roosevelt took America to England's tea party. That's right. Germany never picked on us; we picked on them, threw the whole world into a war, to cause a world war.....

## **SEVENTY WEEKS OF DANIEL | William Branham | 06-08-1961**

I said, "The dictator that's now arising in Italy (which is Mussolini), he will come into power, and he will go to Ethiopia; and Ethiopia will fall at his steps." ..But I said, "He'll come to a shameful end," and he did. Him and the woman he run with was turned up-side-down and hung on a rope in the street with their feet up, their clothes hanging down. All right, that come to pass.

## **SEVENTY WEEKS OF DANIEL | William Branham | 06-08-1961**

The fourth, I said, "Our war will be with Germany, and they will build a great big concrete place and fortify themselves in there, and the Americans will take a horrible beating."

## The Loosing of the Four Angels Bound in the River Euphrates

Japanese Bombing of Pearl Harbour

**REVELATION 9:13-15** And the sixth angel sounded, and I heard a voice from the four horns of the golden altar which is before God,

Saying to the sixth angel which had the trumpet, Loose the four angels which are bound in the great river Euphrates. And the four angels were loosed, which were prepared for an hour, and a day, and a month, and a year, for to slay the third part of men. And the number of the army of the horsemen [were] two hundred thousand thousand: and I heard the number of them. And thus I saw the horses in the vision, and them that sat on them, having breastplates of fire, and of jacinth, and brimstone: and the heads of the horses [were] as the heads of lions; and out of their mouths issued fire and smoke and brimstone. By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths.

### **FEAST OF THE TRUMPETS | William Branham | 19-07-1964M**

See? It was spiritual horses, spiritual devils, chargers, that had been bound in Euphrates all these years, supernatural devils. What was it? The old Roman Empire being revived, the persecution of the Jews. And they'd been bound for nearly two thousand years at the river Euphrates, can't cross to the promise, a religious sect that was trying to get to the other side. Euphrates, you know, come through Eden. But they were bound there, two hundred thousand devils of persecution.

And notice what happens under that Sixth Trumpet. They were turned loose on the Jews, the persecution of the Jews. Supernatural devils, nearly two thousand years, then loosed by Stalin, Hitler, upon the Jews.

You say, "Well, that isn't Roman." It's the same spirit that done the same things it did to the Christians in the old pagan Roman days (Now, watch the natural Israel and the spiritual Church now, as we separate it here) turned loose on the Jews.

### **HANDWRITING ON THE WALL | William Branham | 08-01-1958**

And Babylon was a great city.... And through the center of the city came the great river Euphrates. If you'll notice it, it's the city of the devil, for it's designed after the City of God, as the River of Life before the throne.

### **The Loosing of the Four Angels Bound in the River Euphrates | Vinworth Dayal | October 1993**

Under the fifth trumpet (World war I) that key was given and loosed them, but now in 1933 [They were previously bound by Christian principles] everything was in array now they had those **four annointings, Communism, Nazism, Fascism and Capitalism. Capitalism**, that's the one that remained a secret because out of **Rev:13** it is going to come. And **all four** is controlled by **Catholicism**. Because that one, who is policing the world today, is **speaking with the voice of the dragon**. Watch that **false prophet** speaking swelling words, flying across the world **Rev 16:13**.

### **The Rejected King | William Branham | 15-5-60**

And **Samuel** tried to warn them, **He said**: "This is what the king who will reign over you will do: He will take your sons and make them serve with his **chariots and horses**, and they will **run in front of his chariots**."

### **Thyatirean Church Age | William Branham | 08-12-60**

Now along with what I have just said, recall the **vision of Daniel**. The last part of the image, **the last world power** was in the feet. **That was iron and clay**. See the **iron is the Roman Empire**. But now it is no longer **solid iron**. **Clay is mixed in it**. Yet it is there and running world affairs in **both the democratic nations and the more despotic ones**. The **Romish church** is in every nation. It is mixed up in it all.

### **Indictment | William Branham | 07-07-63**

**President Roosevelt...** I heard his speech when he--when he broadcast it that night, called, "A Fireside Talk." He said, "When **Rome fell**," he said, "such a shame, because **Rome is the head of all Christianity**." Could you imagine a **Protestant** saying that?

### **Thyatirean Church Age | William Branham | 08-12-60**

Take note that **everywhere the Romish church went, communism followed**. It has to be that way. And let me warn you now, don't get thinking communism is your only enemy. No sir. It is the Catholic Church also, and even more so.

**Jesuits and Communism:** The **Jesuits** perfected **the tenets of Communism** on their reductions in Paraguay, for 150 years, from 1600-1750. A reduction is a commune. In Israel they would call it a kibbutz. In Joseph Stalin's Russia they would call it a commune. In New York they call it a village. It's communal living where everybody is equal in their finances **everybody is controlled by a dictator**. That's the essence of

Communism. The Jesuits, on the reductions in Paraguay, which were the communes, had a **central bank**, and it was "each according to their ability and each according to their need". And so, the Guarani Indians that were the subjects were **slaves** of the Jesuits, putting their goods into **world commerce and trade**.

**It's Introduction:** With that, they then **introduced** Communism in 1848 through Karl Marx. **They tutored him** in the **British Museum**, according to Alberto Rivera, **an ex-Jesuit**. [*The SPECTRUM Newspaper, May 2000, The Black Pope*]

**Descendent of Roosevelt:** "In the early **1850's**; the Illuminati held a secret meeting in New York which was addressed by a British Illuminist. "**Communism**," was to be used to foment future wars and revolutions. **Clinton Roosevelt, a direct ancestor of Franklin Roosevelt**; amongst others, were appointed to head a committee to raise funds for the new venture. [*By MYRON FAGON, Editor*]

**Joseph Stalin (Jesuit):** From **1917-1922**, Jewish Freemasonry, controlled by the Jesuits, implemented Communism in Russia. Lenin, the **half-Jew**, was a Freemason. For 10 years after the revolution, the Jews fared very well, but in 1922, **Joseph Stalin, that great Jew-hater**, who was **educated by Jesuits** in Georgia (He studied at Tiflis Orthodox Theological Seminary), was brought in by Lenin after the Revolution, and made him Secretary of the Communist Party in 1922.

**Roosevelt a Freemason:** The Jesuits then moved their Shriner Freemason, **President Roosevelt**, to recognize Russia's bloody government in 1933. **The Jesuits then financed Russian communism with their Knights of Malta on Wall Street.**" [*The SPECTRUM Newspaper, May 2000, The Black Pope*]

**How Roosevelt did the trick:** That charlatan traitor turned the trick for them. Without even asking consent of Congress; he **unlawfully proclaimed recognition** for the Stalin regime. **That did it.** And exactly as the conspirators figured; the **whole world did follow our lead.** Automatically that **snuffed** the previously growing resistance-movement of the Russian people. That automatically launched the greatest menace the civilized world has ever known.

**Roosevelt and Pearl Harbour:** "I say again and again and again that I will never send American boys to fight on foreign soil." Remember; he was proclaiming that statement even as he was already preparing to plunge us into World War II by **enticing** the Japanese into that sneak-attack on **Pearl Harbor** to furnish him with his **excuse.** *[By MYRON FAGON]*

**Winston Churchill** wrote about **Pearl Harbor**, that **FDR** and his **top advisors**, "knew the **full and immediate purpose** of their enemy....Nor must we allow the account in detail of diplomatic interchanges to portray Japan as an injured innocent..." *[The Grand Alliance]*

"President Roosevelt (FDR) provoked the attack, knew about it in advance and covered up his failure to warn the Hawaiian commanders. FDR needed the attack to **sucker Hitler to declare war**, since the public and Congress were overwhelmingly against entering the war in Europe. It was his backdoor to war. FDR blinded the commanders at Pearl Harbor and set them up... FDR was always going to ignore Japan and go after **Hitler**, for **his ultimate goal** was to **save his beloved Soviet Communism.**" *[Pearl Harbour the Mother of all conspiracies]*

**From a War, into a World War:** On Dec. 7, 1941, Japanese aircraft attacked the U.S. Pacific Fleet at anchor in **Pearl Harbor in Hawaii**. The United States, Canada, and Great Britain **declared war** on Japan on Dec. 8, 1941. The next day, China **declared war** on the Axis. Germany and Italy **declared war** on the United States on December 11. The war had become a **global conflict**. [1999 World Book Encyclopedia]

Roosevelt shared many positive views of "**that admirable Italian gentleman,**"

Vatican official and Mussolini sign Concordat, re-establishing the temporal power of the Pope. **It settled the Roman Question**

as he termed **Mussolini** in 1933. Like Fascist and Communist dictators Roosevelt relied on his own charisma, carefully and deceitfully developed, and the executive power of his office to stroke a frightened electorate into compliance and to bludgeon critics. **Roosevelt** built a **cult of personality** just as **Mussolini**, and **Hitler**, and **Stalin** did.

FDR's New Deal [new way of government] united communists and fascists. Representing the two main wings of the Franklin Roosevelt administration – pro-fascist and pro-communist –they shared a collectivist and authoritarian dislike for historical American **principles of liberty** [“*The Rise (and Fall?) of Modern Italy and the United States*”]

**The Jewish Question:** Having deceived the world into believing communism was of Jewish origin, the Jesuits then used Hitler to implement "the Final Solution to the Jewish Question"—pursuant to the evil Council of Trent. The result was the mass murder of European and Russian Jewry at the hands of the Jesuit-controlled German Secret Service (SS). The Jesuits were using the SS to kill the Jews in Europe. When the German Army went into Russia, the Jesuits followed with the SS and purged Western Russia of all its Jews. That's why Stalin deliberately killed 40,000 of his best officers. That's why he kicked out his Adolf Hitler best generals, purged them, because he wanted to make sure that the Red Army would lose with the advance of the German army, because following that would come the SS and purge Russia of the Jews that Stalin so hated. # JUNCTION OF TIME

## HANDWRITING ON THE WALL | William Branham | 02-09-1956

**First**, they were carried down into Egypt. **Second**, they were carried into Babylon, and the Gospel was issued in. And then, **the third**, they were carried or **scattered by the Roman empire**, and **1947 on May the seventh**, they were once more recognized among the nations of the world for the first time for twenty-five hundred years, the Jews were. The beginning of the end, **the fig tree putting forth its buds**. The old six point star of David, the oldest flag that's ever flown on the earth rose to the flagpole again for the first time for twenty-five hundred years, marking a definite promise that God had said through the Hebrew prophets would take place: He'd raise up an ensign. And when we see that waving over Jerusalem tonight, seeing God hardening the hearts of men like Stalin, Hitler, Mussolini, and all those that persecute the Jews and run them back to the homeland, we know the time is at hand.

**of Israel**, then God had an Angel to come down to the earth. But before He had the Angel to come, He had a little boy borned down there by the name of Moses. Is that correct? And this little boy, Moses, was borned rather a peculiar birth. And then, at the age of maturity, he was sent out to deliver the children of Israel, for they were in bondage. And God told him before he went now, **"I'll send Mine Angel before thee."**

*..and I looked, and the Light got greater. And just above me hung a great Star. And the Light was kind of a, more of a green, between green and yellow, shining on the floor. And coming walking through this Light, came a Man that looked like, as I said before, would weigh two hundred pounds, a huge Man.. .. He was more of an olive complexion; ... He walked as close to me as the microphone is there. And He said, "Fear not. I'm sent from the Presence of God to tell you about this peculiar life of yours, peculiar birth."*

## The Three Curtains Pt. I | Vinworth Dayal | 05-10-2008

**The United States** of America this was the nation that came out victorious in those two woes. By the woes the Jews came back in their homeland. The gospel that came from East to West...and it ends up in America is where the 7<sup>th</sup> Angel opens the seals. United States of America is a type of Israel and the history is parallel. America ties the woes, ties the last generation seeing the returning Jews, ties the 7<sup>th</sup> Angel Messenger, the spirit of Elijah, it ties the Vatican (Jezebel) the beast that was in the sea.

## **The Third Exodus | William Branham | 30-06-63**

And Mr Kennedy, **nationalized** that “guard” and sent those men right back into the face of their own **fathers (founding fathers)**, standing there **under the constitution**; that broke the constitution again. Said, “We’ll not fight, no sir,” and said, “**I hope the nation can find out that were not living anymore under a democracy, but under military dictatorship.**”

## **The Invasion Of The United States | William Branham | 09-05-54**

It’s invaded our nation..... But let me tell you, when **Mr. Roosevelt** ...come in, and run in **three or four terms**, and taken over, just a **preliminary dictatorship**. I can prove to you that in the scripture, where that said it’d take place. That’s right . We haven’t got **no more constitution**. She is **broke to pieces**. Everything is all **smattered**. The Republicans is just as bad.

**The Jesuit Plan for America:** This new nation would be a **centralized republic** with the President exercising **powers of an absolute monarch**. The old Federal Republic of Washington would be converted into a huge **centralized Empire**, with the ten planks of the **Masonic Communist Manifesto** replacing the *Ten Commandments* of Moses. In order to accomplish this, the **Constitution** had to be **amended**—“**by hook or by crook**”. [*The SPECTRUM Newspaper, May 2000, The Black Pope*]

**The Illuminati:** The Illuminati, which under various aliases (**FED,C.F.R**) was to organize, finance, direct, and control all international organizations and groups by working their agents into executive positions at the top. In the United States we have Woodrow Wilson, Franklin Roosevelt, Kennedy, Johnson, Fulbright, George Bush etc. [*Myron Fagan, editor*]

**Dictatorial Powers:** Under **Roosevelt**) On March 9, **1933**, Congress passed the Emergency Powers Act, and which gave the President virtually **dictatorial powers** in times of “national emergency”. The United States has been **under a state of national emergency** under one **pretext** or another **continuously** ever since. [*The New World Order*]

**Destroying the Political Past (Political Amnesia) to Bring in a New Order:** It is a known historical fact that during **1933** and **1937 - 1938**, there was a **big fight** between **Roosevelt** and the **Supreme Court Justices**. Roosevelt was trying to see to it that prior decisions of the court were overturned. He was trying to bring in a **new order**, a **new procedure for the law of the land**. On **April 25, 1938**, the Supreme Court **overturned** the standing precedents of the **prior 150 years** concerning “**COMMON LAW**” in the **federal government**. No cases are allowed to be cited that are prior to 1938. They then made new laws. There can be no mixing of the old law with the new law. [*Who is running America?*]

**The Presidency of Today:** The presidency as we know it today begins with **Franklin Delano Roosevelt (FDR)**. As early as 1912 FDR's **centralizing instinct** was on display when he explicitly placed the "liberty of the community" **over** "the liberty of the individual"... It was he who **initiated and legitimized** the idea of conscripting [**forceful compulsion**] of **federal power** as the social engineer-in-chief. This idea has acquired **legitimacy** with both political parties, and the bureaucratic monster that **resides in Washington** and tightens its coils around America's throat today, is FDR's domestic legacy....For those Americans who love the **Old Republic** which he **destroyed**, Franklin Roosevelt was, and remains, the Enemy. [*The Rise (and Fall?) of Modern Italy.....*]

**The Holy War:** World War II (Roosevelt's war) nevertheless remains "the holy war of the American establishment," It **legitimized** the emergence of the United States as a global super-power, **contrary** to the **Constitution** and to the American tradition. Between 1941 and 1945 Washington became the command and control center of the **ultra-centralized, unitary state** and its overseas empire. [*The Rise (and Fall?) of Modern Italy and the United States*"]

**Citizens of Federal Government:** (Under Roosevelt) In **1940**, the Buck Act passed. This created the **presumption** that we are **citizens of Federal government**, rather than **citizens of our respective sovereign states** and thus **slaves on the federal plantation** who are **liable** for the **Federal government's** ever-expanding debt. [*The New World Order*]

**Courts of the Empire:** Since 1950, the flags in every courtroom, state and federal, **began to be changed**. And every state flag and every U.S. flag is now trimmed in **gold fringe**. Now, if it's the state flag, it means that's the flag of the **governor**, as Commander-in-Chief. And whenever you see a flag trimmed in gold fringe, that means that it is the flag of the **Commander-in-Chief in Washington.**" [*The SPECTRUM Newspaper, May 2000, The Black Pope*]

**Control of Resources:** On February 16, **1962**, **President Kennedy** issued ten Executive Orders which would give the **Federal government control of the resources** in the event of a national emergency; that **covers just about everything except religious facilities.**

**Removing the Bibles from Schools:** A major attack on religion was the U.S. Supreme Court decision on June 17, **1963** which held (without Constitutional precedent) that reciting the Lord's Prayer or Bible verses in public schools was unconstitutional. [*New World Order*]

**The Creation has taken control of its creators:** It is Historical knowledge that the original **Union States** *created* the Federal Government, however, for all practical purposes, the **Federal government** has **taken control** of her "**Creators**", the **States.**) She has become a **beast out of control for power.** [*Who is running America?*]

### Evil Councilors Behind The White House Throne | Bro. Vin Dayal | 30/11/01

The Spirit of the nation is a pagan spirit. I am talking about the United States of America. America is Laodicea. When the Prophet was in Chicago and challenged 300 ministers, it was in the United States. While she had bewitched them with her sorcery, they were preaching, saying, "Watch communism, watch communism," and **she was sneaking up in the White House**. And they preaching, "Watch communism," and the Prophet crying out "Don't you fear the iron curtain, fear the **purple curtain, that's the one in the Bible.**" And they blinded them with communism. These ministers didn't study the scripture. Whilst they got all their congregation to get against communism, **Romanism was taking the nation** and he was preaching Jezebel religion.....And she got right into the seat of power. And he preached Voice of God in the Last Days. He said, "They have deadened the effect of the Voice, they shot the dog that was warning them because they say we are rich and increased with goods and have need of nothing."

*"She is a great maze, but not without a plan" Hislop speaking about the Roman Catholic Church in his book "The Two Babylons".*

**Smoke Screen:** It is a tremendous **smoke screen** to keep the **attention away from the Vatican**. This is why so many books have been printed **exposing Communism, the C.F.R., the Rockefeller empire, The Illuminati, the Club of Rome, etc.** The tragic part is that most of the writers and their followers are **blind** to the fact that **Rome has created most of these organizations** as well as **the organizations fighting them**. It's a big game. *[Alberto Rivera former Jesuit Priest, Chick Publications]*

# The Prophet of Malachi 4

In 1960 God begin to open the book of revelation with the seven church ages; at an election time and the Prophet understanding that the healing revival was finished and he was coming down to the end of his ministry and realizing that which was taking place in the nation and **for the first time since they fled from Roman persecution you had a catholic president.** And the nation **was swept under the power of the Roman system.** And then when that happened all these things in the Book of Revelation “I Jesus had sent my angel to testify these things to the churches.” He sent His Angel and signified these things to His servant John on the isles of Patmos where John was transported into the Lords day and he began to see all that these great things that was to come upon the face of the earth.

And, brother, let me say this with respect to some of you good square-backed Democrats: that's what we got President Kennedy with Pope \_\_\_\_\_ now. He may be all right, but **there's a system behind there that turns the head.**

## The Revelation of the Seven Church Ages-Thyatirean Church Age-Chap 6 William Branham

In Revelation 13:14, we learn that **the beast spreads his influence through the image** which was built for him. The image that is made is a world-wide ecumenical council, wherein all the organized churches will get together with the Roman Catholics (they are doing it even now.)

## The Revelation of the Seven Church Ages-Smyranean Church Age-Chap 4 William Branham

And if you think this shocking, just wait until the prophesy of Revelation 13 is fulfilled. It is strikingly true that the United States of America is in that chapter. The very number thirteen is a symbol of this nation. It started with thirteen colonies. Its flag has thirteen stars and thirteen stripes. And there is her **destiny** in the thirteenth chapter. In this image that is mentioned in this chapter **will be found all the wickedness of the beast that was before it**. As the beast rose at the Nicene Council, so the image will come out of the World Council of Churches with all ungodly and Satanic power to vent the anger of the devil upon the true vine of God. It will be a repeat performance of all diabolical cunning and cruelty.

## George Washington's, Farewell Address, 17 Sept. 1796

# The Rich Ruleth over the Poor and the Borrower is servant to the Lender

The "**establishment**" has captured our people with their **ungodly system of interest and debt** as certainly as if they had marched in with a uniformed army. We as a people are now **ruled by a system of Banker-owned Mammon** that has **usurped the mantle of government, disguised itself as our legitimate government**, and set about to **pauperize and control our people**. It is now a **centralized, all-powerful political apparatus** whose main purposes are **promoting war, spending the peoples' money**, and propagandizing to per-

petuate itself in power. Our two large political parties have become **its servants**, the various departments of government its **spending agencies**, and the **Internal Revenue its collection agency**.

The profits from these massive debts have been used to erect a complete and almost **hidden economic and political colossus** over our nation. Our people have become tenants and "**debt-slaves**" to the Bankers and their agents in the land our **fathers conquered**. It is **conquest** through the most **gigantic fraud** and swindle in the history of mankind. And we remind you again: The **key** to their wealth and power over us is their ability to **create "money" out of nothing** and lend it to us **at interest**. If they had not been allowed to do that, they would never have gained secret control of our nation. How true Solomon's words are: **"The rich ruleth over the poor, and the borrower is servant to the lender"** (Proverbs 22:7). *[Taken from article, Billions for the Bankers; Debts for the people]*

## *And deceiveth them that dwell on the earth*

### **BAPTISM OF THE HOLY SPIRIT | William Branham | 28-09-1958M**

30 Therefore, God never did in any age have a denominational churches. You tell me when it was. And now, there never was a denomination until 360 years after the death of the last disciple. That was the Roman Catholic church. And out of the Roman Catholic church... God called her in the Bible, Revelations 17, a whore. That's a impure woman. And out of that she had daughters, and those daughters were harlots, impure like she was. That's what the Scripture says. And the Roman Catholic church gave birth to all Protestantism. And they've went right back and done the very same thing that she did.

31 And the reason that she was impure, she had a cup of doctrines in her hand, the wine of her wrath of her fornications. And she give it to the kings of the earth, and she set over many waters and reigned over the rulers of the earth. We found that so in the Bible. We found that she was supposed to be setting on seven hills: a church; we found it. We found that she was decked with a triple crown: jurisdiction of hell, heaven, and purgatory. Right. And it's a man was the ruler of it; he was the antichrist setting in the temple of God, showing himself he was God, forgiving sins on earth. We had all this, went through it and see that it's right.

32 Said, "Here's to him that has wisdom." We find that the Spirit kept speaking expressly: "To him that has wisdom, to he that has knowledge, to him--the different spirits, the gifts." Can't you see that God's moving that church in the last days? There's got to rise a church full of the spiritual gifts, the real gifts of God. "Here's to he that has wisdom. Let him count the numbers of the beast, for it's the number of a man. His number is 666." And we found where that was exactly, couldn't be no more perfect. Write out your ownself: Vicarius, which is the vicar of Christ, Filii of God--Vicarius Filii Dei and see if it doesn't--in your Roman numerals--and see if you haven't got 666. See if don't place, not upon something else that give you suspicion this or that, but right at the same place where the rest of the Scripture says it'll be setting. And here we are Protestants coming right out...

33 Now, what we're trying to do today is to bring out and show that the doctrine that the Catholic church brought out and has, we've adopted it right over here in the Protestant church. And we're giving that to the people, which is the same glass of spiritual fornications that she gives out. 'Cause they're not Scriptural; they're manmade. It's false prophecy; it's a lie; it's of the devil.

And then we found out... To get a little background to show that the age that we're living in and picked it up last night that a--a bastard born child, illegitimate child, could not in--even come into the congregation of the Lord for fourteen generations. That would be four hundred years, forty years to a generation.
