Now, if we could take that back yonder and run back there, how that--that even on "The Decline of the World's War," in the second volume, when General Allenby had fought in till he hit the lines of Jerusalem, and he wired back to the King of England, and said, "I don't want to fire on the city, on the account of the sacredness of it." He said, "What shall I do?" He said, "Pray." And he flew over it again, and when they did, they said, "Allenby's a-coming." And there were Mohammedans in there, thought he said, "Allah's a-coming." And they hoisted the white flag and surrendered, and Allenby marched into Jerusalem and took it without firing a shot, according to the prophecy (That's right.), and turned it back over to the Jews.

³²⁻⁴ See? The atonement followed the... Watch now. The atonement followed the trumpet sound. See? How beautiful. See? The atonement day followed the trumpet. Now--now, the fifty days of the trumpets for us symbolize when the trumpet sounded at Pentecost, which was fifty days. Now--now--now, after this, the Jews rejected that; now the Trumpets is to call them back to that atonement (See?), the atonement they rejected. And they rejected, so our eyes could be opened; theirs was closed. And during this time, these Seals opened up and the--the--the Trumpets blowed. And now, in the blowing of the Trumpets, just before the Messiah comes, 'cause they've got to be in Palestine. And you remember God had to harden Pharaoh's heart to run them out of Egypt; and He hardened Stalin, Mussolini, and all that to get them back into the promised land, where the one hundred and forty-four thousand's supposed to be. And now, for the first time for thousands of years, twenty-five hundred years, that Israel is a nation with its own flag, own army own--and it--considered

¹³⁸ For nearly two thousand years the Jews has been out of their homeland, scattered to the four winds of the earth. How that we could make this message last for weeks now if we had to go to details. We can chase Israel right back and show when it was scattered by the Roman empire on their rejecting of the Messiah; how she was drove to every nation under heaven; go back to Jacob, Israel, back in Genesis 44 and 45, and show back there that how He blessed those patriarchs and told them exactly where their standing would be in the last days; and I can point to you exactly every nation of Israel, every tribe of Israel standing exactly in the nations where it said it would be. And here we are today.

If you get the "Decline Of the World's War," Volume 2, when General Allenby, after the First World War, flew over Jerusalem and captured it and took Jerusalem, and those Christian men marched in Jerusalem with their hats off; and Allenby surrendered without even firing a gun--or--or they surrendered to Allenby, the Turks. And since then God went to hardening Mussolini's heart, Hitler's heart, Stalin's heart, hearts of the men all over the country hating that Jew.

And then the great big birds that went down, called the Eastern Airlines, or the Pan American Airlines, or whatever it was... I believe it was called TWA. Was in the--the magazine, the "Life" magazine, I believe it was--"Look" or "Life"; I believe it was "Life," just the last three or four years. And God's been running the Jews back in their homeland, which they've been away for two thousand years while the Gentiles was making ready.

Sixty-nine weeks already fulfilled; half a week, forty-two months, three and a half years, twelve hundred and sixty days, times, time and half a time; any form you want to call it in; all is the same space of time; the last half of Daniel seventieth week. They have come back in their homeland and we have had a prophet says, when the Gentile world couldn't understand what was going on, he says, that's the Feast of Trumpets, Israel is gathered back, they are getting ready for the day of atonement. A prophet taught it, pronounced it, placed it. He said I was commissioned right after World War Two when they hoisted that six point star. Same day, same hour the Angel of the Lord appeared to me in Greenmills Indiana and sent me out. It's proclaimed and declared to the nations; what?

Israel, God harden the pharaoh's heart, Hitler and them, to bring them back, make them a nation in United Nations so they could receive the last three and a half years of Daniel's seventieth week.

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country." I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

MAIN EVENTS

IN THE HISTORY OF JERUSALEM

ISRAEL'S WAR OF INDEPENDENCE (1947 - 1949)

In human terms, the War of Independence was Israel's costliest war, with over 6,000 Israelis killed and 15,000 wounded. The war consisted of 39 separate operations, fought from the borders of Lebanon to the Sinai Peninsula and Eilat.

THE SINAI CAMPAIGN (OPERATION KADESH) 1956

The Sinai Campaign was fought to put an end to the terrorist incursions into Israel and to remove the Egyptian blockade of Eilat.

THE SIX-DAY WAR (JUNE 1967)

Within the brief span of six days, the IDF overran the Sinai peninsula; took the entire West Bank of the River Jordan; and captured a great part of the Golan Heights. The culminating event was the capture of the Old City of Jerusalem.

THE WAR OF ATTRITION (1968-70)

Following the Six-Day War, a static exchange of artillery fire along the entire Bar Lev line on the Suez Canal, escalated into the War of Attrition.

THE YOM KIPPUR WAR (OCTOBER 1973)

The war, which started on the holiest day in the Jewish calendar, the Day of Atonement, was the fiercest Arab- Israeli war since the 1948 War of Independence. Egypt and Syria attacked Israel, catching Israel off guard.

THE LEBANON WAR: OPERATION PEACE FOR GALILEE (1982)

A ceasefire with Palestinian terrorists in Lebanon declared in July 1981 was broken: the terrorists continued to carry out attacks against Israeli targets in Israel and abroad, and the threat to the northern settlements became unbearable. On June 6, 1982, the IDF launched

Operation Peace for the Galilee.

THE SECOND LEBANON WAR (2006)

On July 12, 2006 eight IDF soldiers were killed and two kidnapped on the border with Lebanon, in an attack by the Hizbullah terror organization. The remains of Sgt.- Maj.(res.) Ehud Goldwasser and 1st Sgt.(res.) Eldad Regev, abducted in the attack on the IDF patrol jeep, were returned to Israel on July 16, 2008.

THE VATICAN'S PLOT FOR THE CONTROL OF JERUSALEM

Zechariah 12:2 Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah and Jerusalem.

Zechariah 12:3 And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it.

Psalms 83:2 For, lo, thine enemies make a tumult: and they that hate thee have lifted up the head.

Psalms 83:3 They have taken crafty counsel against thy people, and consulted against thy hidden ones.

Psalms 83:4 They have said, Come, and let us cut them off from being a nation; that the name of Israel may be no more in remembrance.

Psalms 83:5 For they have consulted together with one consent: they are confederate against thee:

1 Kings 21:2 And Ahab spake unto Naboth, saying, Give me thy vineyard, that I may have it for a garden of herbs, because it is near unto my house: and I will give thee for it a better vineyard than it; or, if it seem good to thee, I will give thee the worth of it in money.

1 Kings 21:3 And Naboth said to Ahab, The LORD forbid it me, that I should give the inheritance of my fathers unto thee.

1 Kings 21:7 And Jezebel his wife said unto him, Dost thou now govern the kingdom of Israel? arise, and eat bread, and let thine heart be merry: I will give thee the vineyard of Naboth the Jezreelite.

1 Kings 21:8 So she wrote letters in Ahab's name, and sealed them with his seal, and sent the letters unto the elders and to the nobles that were in his city, dwelling with Naboth.

THE VATICAN'S AGENDA FOR JERUSALEM

Monday, 22 December 2008

BY: JOEL BAINERMAN

The institution of "The Vatican" is not understood by Israelis and Jews. When it comes to Israel's bi-lateral affairs, nothing much gets investigated by the Israeli media. Thus a secret deal could be done between the Vatican and the State of Israel and nobody in Israel would ever find out about it.

This essay will provide the background to that deal, as well as what the Vatican's intentions are regarding Israel and The Old City Of Jerusalem. It will reveal which Israeli politicians made certain commitments to The Vatican regarding the issue of sovereignty in the Old City of Jerusalem. These negotiations and meetings were all carried out in secret.

What Does The Vatican Want?

It can't be that the Vatican is only interested in "access to their Holy Sites" in Jerusalem. They already have that as well as legal jurisdiction under Israeli law for their institutions and assets in Jerusalem. Also, when these "Holy Sites" were under the jurisdiction of the Jordanians from 1948-1967, no Pope demanded the "internationalization of Jerusalem".

It is something else, which the Vatican wants. The Roman Catholic Church, need to have certain versions of events be played out for them to stand in front of mankind and proclaim: our Messiah has returned." Of course, to the Jews, this Messiah will be as false as the first one was supposed to be. Don't matter. This is the goal of the Vatican and this is what all Israelis need to worry about. It is important for everyone to know what the Vatican have up its sleeve because it directly relates to our existence and our future

destiny as an independent nation. This a very powerful force that is scheming to get control of the Old City of Jerusalem.

The Vatican has attempted to obtain control of Jerusalem, which started with the Crusades. For them to convince the world that the Messiah they put on the world's stage is going to be accepted as genuine, they need to perform this play in the Old City. The story of this production is that this "Messiah" will merge the three monotheistic religions, usher in peace and harmony in the world, and solve the Middle East conflict. The location for this "production" will be in none other than the Old City of Jerusalem.

This so-called "Messiah" that will be proclaimed, will be a false one and it will insist that by having a "world government" (i.e., the United Nations) the world peace and harmony will be ushered in. This will be a lie, and a fraud, but never mind. In our world, reality isn't important. Public perceptions are. The end result is the stripping of Israel's sovereignty as an independent nation giving way to a "regional bloc of nations" in the Middle East. Israel will be pressured to accede to these demands by all world bodies and the superpowers on the claim that "this is the only way to solve the Middle East conflict). In order for the Jews to go along they will convince them that with the "Messiah" having appeared for the Jews, it is time to start rebuilding the Third Temple- what they call "Solomon's Temple".

The Old City of Jerusalem, as well as most of the eastern half of the city, is what The Vatican is after. The deal that it has signed with Israel via Yossi Beilin and Shimon Peres (in secret and without the approval of the Knesset) gives The Church not only extraterritorial status to their properties (which is what the bi-lateral agreement the Israeli government signed with the Vatican

on December 30th, 1993, put in law) but of control over the entire city as "custodians" under UN presence.

The end goal of The Vatican is to seize control of the Old City of Jerusalem out of the clutches of the state of Israel. To that end they have a secret agreement with Israel which obliges Israel to respect the "extraterritorial" claim to their physical presence in the city.

The public record shows a secret deal has already been conducted behind the backs of the Israeli public whereby the Vatican was promised to take over the Old City. There is ample proof in the public record to prove that a **secret deal was done with the Vatican by two Israeli government representatives, Yossi Beilin and Shimon Peres.** As it was concocted covertly it can't serve the Israeli public- but someone else. Thus these agreements need to be made void and nullified.

Are you seeing the nations with their scheme to part Jerusalem? Are you seeing how they bring up this thing to trap them into that kind of response and then bound them with the media to blacken them in the eyes of the world and create anger and resentment and these people writing these things and talking about "activist". Activist? They change the name from terrorist to activist when convenient. Because this is the information age and they take it and put it around the world and this raise up their feelings. Is that how they took Naboth; and they set him on high and they said "You blaspheme!"? And all the time it was an orchestrated plan?

What Bible do you read? What was that story in the Bible for? That story in the Bible is a

THE VATICAN'S AGENDA FOR JERUSALEM

mystery of prophecy, that the Roman Catholic Church, in the New Testament in the Thyatira age, that is called "that woman Jezebel", of the Old Testament; when Elijah had come at evening time, to repair the altar. Is that right? That's the last scene you see of Elijah where the judgment comes out of his mouth at the end of his ministry upon Ahab and Jezebel. It was stealing that inheritance that brought down that judgment.

What was the Church in the "Preview of the Bride"? The Bride was going up; 2 Kings 2, Elijah, a type of the translated saints going up. What else was in the picture? The witch going down; that was a mystery of prophecy; before the translated saints; before Assenath is dismissed to the palace; before Elijah; preparation for dimension travel. 1 Kings 22, three lying spirits gathering the Kings in that same time and Micaiah with "that seventh seal vision" before the translation of the saints; after Ahab and Jezebel is cursed for trying to steal an inheritance and using a political scheme; manipulating the judiciary and the senate and using the seal of Ahab to make it look like it is Ahab's letters but it was she writing it. That is a mystery of prophecy going forth before the translation.

Are you seeing it in the earth? Are you seeing that they want the people inheritance? They are saying "Jerusalem don't belong to you all. Why are you all claiming Jerusalem?" He say, "Jerusalem is an international city. You all cannot claim this, it doesn't belong to you all." All the prophets walk in Jerusalem; even when the King came Himself, He rode into Jerusalem meek and lowly on the fold of an ass. David fought and make that his capital. Solomon built the Temple there and the glory of God came down. And three times a year, Passover, Pentecost and Tabernacles, all males had to go before God; in the place where God place His name; in the house He build for His name; in the city of God. Even the gentile Cyrus say, "you all go back and build your house in Jerusalem."

It is coming up to a third temple, why? The first temple Solomon built, Nebuchadnezzar came and destroyed it and took them into captivity. They came back in their homeland and rebuilt it again (Ezra, Nehemiah and others). In the time of Herod they expanded it. It was so great and so beautiful that they said "Lord, look how beautiful this temple is". He said "Not one stone will remain here; it's coming down".

Economics bring it to one world religion, one world government, and one world economy to bring in his kingdom and is ready to be enthroned as God and these people here is an obstacle in his plan. He needs Jerusalem to finish his great plan. So what does Jezebel do? **Get the nobles and the elders to take Naboth's inheritance.** What do the nations do? Like Esau they choose the morsel of meat; they choose the cheap oil and all the material benefits instead of the birthright.

THE GRAFTING IN OF ISRAEL PT. 7

Bro. V.A.Dayal

God is speaking to those people; God is speaking to those people there in that Thyatira age. It's another Thyatira age. Jezebel and the kings of the earth and the nations conspired to kill and take possession of the God given inheritance of God's people. They have been able so far to cover-up their crimes; they have the world confused.

Jezebel held them to a stalemate, another unsuccessful Middle East peace plan halt again. First it went to Carter, then from Carter to Reagan, then from Reagan to Bush Sr., then from

Bush Sr., it went to Clinton, from Clinton it came to Bush Jr. , from Bush Jr. it came to Obama and still no peace plan.

Now they have a Muslim President, a Catholic Vice President and a Jewish Chief of Staff. Jews, Muslims and Christians (like in Jerusalem) inside the White House working together to bring this about.

What they are going to do friends is a scheme. They are making the whole world believe that Jerusalem don't belong to the Jews, and they have the majority. To show the Governments of this world are of the devil and everyone are Lucifer's prince over the nation, and the world belongs to the devil everyone of them rise up and condemn, [Israel] everyone of them draw their embassy out, when Israel occupy the east part of Jerusalem, and they say you occupy that illegally. In other words "we are god here on the earth we don't worry about what God say belong to you, we are god here now. This Bible, no man knows if it is right, so we take all that out of the school. In the United Nations we don't have any prayer in the name of Jesus Christ."

THE GRAFTING IN OF ISRAEL-PT. 8

Bro. V.A.Dayal

Naboth's vineyard had become "a cup of trembling and a burdensome stone"... This is between the first two wars and the Third war. The first two wars is your Fifth and Sixth Trumpet...

Ahab's, political realm; Jezebel, religious realm. It's realms, religion and politics. They are working schemes. The church is in the affairs of the state. The church's hand is in everything. The control gets so strong she is now dealing with political things even using now the instruments of executive power to accomplish the things that the State find themselves incapable of dealing with. How readest thou?

Above: The Vatican Council

Remember these two also represents two beasts in the last days. Revelation 13 speaks about two beasts. One beast that comes out of the sea, the Roman Catholic System. She is that woman Jezebel. One beast that comes out of the Earth, the United States of America, a Vatican-Washington alliance on the Earth today. These two beasts are the two powers in the end time that are going to control the world. The crimes that are being perpetuated mainly are these two powers behind it in a big, big way because that Jezebel is going to rule the world. The second Beast, as the Prophet told us was made as a vehicle to accomplish his means. Why does he make an image? Because it must be covert. It is to hide the first beast... The second beast speaks with the voice of the dragon; its sounding just like the first beast. That's where its spirit, its power, its life is derived from. Because the first beast spirit, life and power is derived from the great red dragon who was cast out of heaven.

Then we are seeing them claiming now "Jerusalem is not the Jews inheritance. That doesn't belong to them at all. They are usurping that place. They occupy that unlawfully and they

THE VATICAN'S AGENDA FOR JERUSALEM

need to come out." And all the nations of the earth say, "yes they have to come out". The criminals today are not the man in the street. It is Ahab and Jezebel; them ruling the world.

They are going to control all religion, all politics, all economics.

Now, notice here. In the middle of the week, three and a half days--three and a half years, rather, he breaks the covenant and causes the sacrifice and oblation that they will have set up already... 'Cause they'll go right back and say, "Now, look, you all are churches; you can be received in this image unto the beast. We'll have a fellowship. We'll get rid of Communism. We'll just wipe Communism all the way out." See? And they can do it, See? And they'll do it.

But now watch. And set up, and set up to this--the daily worship--the sacrifice will come back into the city when the temple is rebuilt. And this prince that's to come in the middle of this week will break his covenant and do away with this sacrifice as I said, he'll scatter--scatter it, and what he'd do lasts on till the consummation.

THE REVELATION OF THE SEVEN SEALS: THE FIRST SEAL

Bro. W.M Branham

341 Now, watch. In the end time, not in the early days when Christ was preaching, but in the end time, the last part of the week, where we just took the seventy weeks of Daniel; and Christ has prophesied for the three and a half years, and three and a half years are yet determined. Is that right? And this prince in that time is to make a covenant with Daniel's people, which is the Jews.

342 Notice. In the last one-half of Daniel's week, the people makes a covenant--this prince makes a covenant with Rome; makes a covenant with them no doubt for the wealth, for Catholic and Jew holds the wealth of the world.

354 And in doing this to get it, she'll compromise with the Jews and make a covenant, and when she makes this covenant with the Jews... Now, remember, I'm taking this from the Scriptures. And now, when she does this and makes this covenant, we notice in **Daniel 8:23 and 25** he will cause craft to prosper (And craft is manufacturing.), in his hand.

And he makes this covenant with the Jews, and in the midst of this three and a half years, he breaks his covenant as soon as he gets the thing wrapped up and gets the money of the Jews tied up.

And when he does that, oh, my, oh, my, he's called the antichrist until the end of the church age, for he is the--he and his children are against Christ and the Word. This man's called the antichrist. Now, he's going to hold the money. And that's where I think he'll come in. Just a minute, while I say this, then I want to go back to it in a minute.

364 When He that letteth, only now Christianity is left on the earth in its purity is

THE VATICAN'S AGENDA FOR JERUSALEM

because Him that letteth. You remember back here in that...in Thessalonians? Setting upon the temple of God, calling himself God; forgiving sins on earth, and that'll go on, and iniquity shall abound **2 Thessalonians 2:4** Who opposeth and exalteth himself above all that is called God, or that is worshiped; so that he as God sitteth in the

temple of God, shewing himself as God.

JERUSALEM IS OURS

YESHA COUNCIL TO CLINTON: "JERUSALEM IS OURS"

Nisan 3, 5770, 18 March 10 11:59

By Hillel Fendel

In a letter to U.S. Secretary of State Hillary Clinton, Jewish leaders in Judea and Samaria explain the unshakeable historic and religious bonds between the Jewish People and Jerusalem.

The letter was written in response to President Obama's and Clinton's criticism of Israel's intentions to build in the Jerusalem neighborhood of Ramat Shlomo. The neighborhood is a part of Jerusalem-proper, and is surrounded nearly completely by Jewish-populated areas. Though it is part of area liberated by Israel in the 1967 Six Day War, it was not recaptured from Jordan, but was rather considered no-man's land between 1949 and 1967.

"We wish to share with you the sentiment and consensus among the Israeli public" regarding Jerusalem, the leaders of the Council of Jewish Communities in Judea and Samaria (Yesha Council: "An organization formed to promote Jewish settlement in the West Bank and Gaza Strip") wrote to Ms. Clinton, who sharply berated Prime Minister Binyamin Netanyahu this week over the issue.

The letter continues:

"We Israelis believe in the integrity of a strong, unified and undivided capital for our nation – Jerusalem, the Holy City. We Jews are the descendants of King David, and of a hundred generations of Jews who built and glorified Jerusalem as our capital, beginning over 3,000 years ago.

Ramar Shlomo

"From time immemorial, the Jews have worshiped towards Jerusalem and the Holy Temple – and prayed for Jerusalem since the dawn of our civilization.

"Neither Romans nor Greek, Crusaders nor Arabs, Ottomans nor British ever succeeded in shaking our bonds with Jerusalem. Thus, when you demand that we not build housing in our capital, or that we divide our capital and surrender parts of it to others, you must realize that this is unacceptable to Jews everywhere and to us Israelis.

"We will not negotiate on the issue of Jerusalem. We will never divide Jerusalem."

"The Jewish People worldwide support Prime Minister Netanyahu's action, and stand firmly behind him on this important issue of Israel's right to defend itself as a sovereign nation.

"We deeply appreciate America's friendship, but it must be clearly understood: We are a free and sovereign people, and we have the right to determine our destiny."

**Rabbis to US Ambassador: TIME TO 'GO
BIBLICAL' WITH ARABS**

Tevet 13, 5770, 30 December 09 08:58

By Gil Ronen

A delegation of the Rabbinical Congress for Peace (RCP) met with U.S. Ambassador to Israel, Mr. James Cunningham, today and called for a reassessment of the entire U.S. policy vis-à-vis the Israelis and Palestinians. The rabbis told Ambassador Cunningham that it was time to try the Biblical approach to the dispute over the Land of Israel.

Left to right: Rabbi Sholom Gold, Mr. Marc Sievers of the US Embassy, Rabbi Dov Lior, Rabbi Joseph Gerlitzky, Ambassador James Cunningham, Rabbi Moshe Havlin, Rabbi Avrohom S. Lewin. The Rabbis handed the ambassador a Halachic Ruling signed by over 350 rabbis in Israel that forbids giving up land controlled by Israel today.

...The 'land for peace' formula in the Israel-Palestinian context, besides being a formula that goes against the Divine will, is ineffective, obsolete, and an exercise in futility.

'Land for peace doesn't work'

"In the name of the overwhelming majority of rabbis in Israel," he said, "we request of you Mr. Ambassador, to convey our Halachic message to President Barack Obama that it is time for a complete reversal and reassessment of U.S. policy in the Middle East. The 'land for peace' policy never worked and harms U.S. interests in the region and the world at large."

Will Israel Obey God Or Man

By EARL COX 12/04/2010

The rabbis have stressed the God-given right of the Jews to the Land. The biblical mandate clearly designates all the territory west of the Jordan River as the home of the Jewish people forever. Prophets called it an everlasting covenant. The rabbis claim that the covenant is still in effect following God's miraculous re-gathering of the Jews and the restoration of their ancient nation.

He should know that the Palestinians will never end their belligerence toward the Jewish nation, that they will never negotiate in good faith, and that they will never meet the conditions they must meet in order to merit statehood.

It is understandable that Netanyahu feels he must make some effort to ameliorate the conflict. But doesn't he know by now that it is useless? After everything the Palestinians have done, and not done, since the so-called peace process began in 1993, who can be so naive as to believe they can be trusted now? It may turn out that Netanyahu's temporary construction freeze is not so much in opposition to God's eternal possession covenant as it seems. It may turn out that Israel will, after all, obey God rather than man.

NETANYAHU TURNS TO BIBLE IN TUSSLE OVER JERUSALEM

Wed, May 12 2010

By Dan Williams

JERUSALEM (Reuters) - Beset by questions about Jerusalem's future in talks with the

Israeli Prime Minister Benjamin Netanyahu

Palestinians, Israeli Prime Minister Benjamin Netanyahu reached for the Bible on Wednesday to stake out the Jewish state's contested claim on the city.

Netanyahu told a parliamentary session commemorating Israel's capture of East Jerusalem from Jordan in the 1967 war that "Jerusalem" and its alternative Hebrew name "Zion" appear 850 times in the Old Testament, Judaism's core canon.

"As to how many times Jerusalem is mentioned in the holy scriptures of other faiths, I recommend you check," he said.

Citing such ancestry, Israel calls all of Jerusalem its "eternal and indivisible" capital -- a designation not recognized abroad, where many powers support Arab claims to East Jerusalem as the capital of a future Palestinian state.

The dispute is further inflamed by the fact East Jerusalem houses al-Aqsa mosque, Islam's third-holiest shrine, on a plaza that Jews revere as the vestige of two biblical Jewish temples.

Heckled by a lawmaker from Israel's Arab minority, Netanyahu offered a lesson in comparative religion from the lectern.

"Because you asked: Jerusalem is mentioned 142 times in the New Testament, and none of the 16 various Arabic names for Jerusalem is mentioned in the Koran.

TISHA B'AV 2010:

"The Holy Temple Mount, Jerusalem and Israel will never fall again! The God Of Israel Will Not Allow It."

In our time we have witnessed the re-gathering of God's people Israel back to the land of His covenant, the rebuilding of His kingdom of Israel, and shall soon witness the building of the Third Holy Temple.

In our present perilous situation, the answer of the Temple Mount Faithful Movement to US President Obama, the UN, the EU, and enemies of Israel and the entire world is: "Take your hands off Jerusalem, the eternal capital of the God and people of Israel, the Land of Israel and the people of Israel. We shall never listen, obey or accept any pressure coming from any of you. Our commitment and covenant is only with our Almighty God, the God of Israel. Only He is the leader of Israel. We lean upon and trust only in Him, and all of you have no rights in Jerusalem, on the Temple Mount, and in the Land of Israel.

Israel is presently experiencing a very critical time of godly redemption of its people and of its land, when God is rebuilding His Kingdom together with His chosen people Israel. At the same time, Israel is again facing mounting pressure and hatred coming from the entire world — promoted by Barak Hussein Obama, the President of the United States — to divide the Land of Israel, and to establish a foreign Palestinian terrorist state in the midst of the Promised Land that was given by God only to His people Israel for a godly purpose and through an eternal covenant.

All of this is directed mainly against Jerusalem — the heart and the soul of the God and people of Israel, the site of the Holy Temple of God and the mountain of the Father and God of Israel — in order to make it into an "Islamic Palestinian capital" that is against the Holy Word of God and His eternal promise to His people Israel, which is to make once again Jerusalem as it was in the biblical times — the eternal capital of the kingdom of the God and people of Israel.

"If I forget you, O Jerusalem, let my right hand forget her cunning. If I do not remember you, let my tongue cleave to the roof of my mouth; if I do not set Jerusalem above my highest joy." (Psalms 137:5-6)

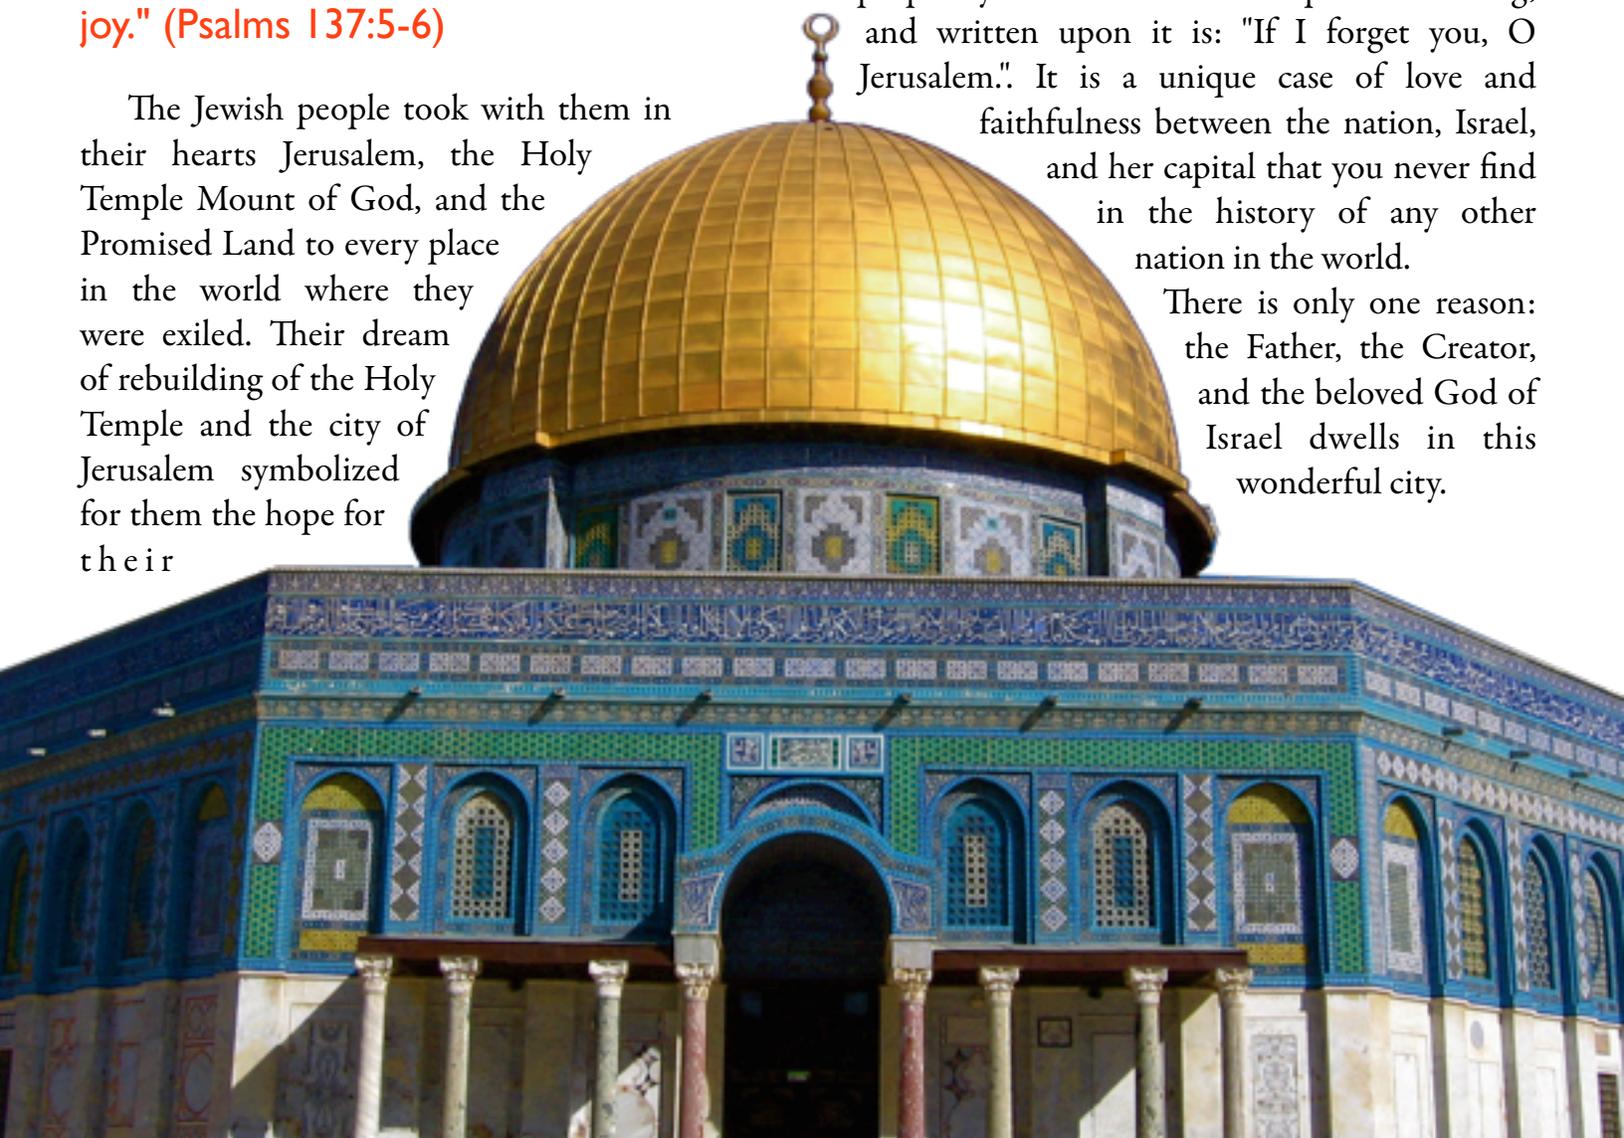

The Jewish people took with them in their hearts Jerusalem, the Holy Temple Mount of God, and the Promised Land to every place in the world where they were exiled. Their dream of rebuilding of the Holy Temple and the city of Jerusalem symbolized for them the hope for their

redemption and the re-gathering back to their Holy Land as God promised them. From every corner of the world, the Jewish people prayed facing the Holy Temple Mount of God and the Holy Jerusalem. (The Arabs and Muslims pray facing towards Mecca. This indicates again that Jerusalem is for them just a place of political and imperialistic occupation and nothing more.)

The Jewish people even bury their dead in every place in the world including in the Land of Israel with their faces directed toward the Temple Mount and Jerusalem where their God dwells and put His Name forever.

In every Jewish home in the exile and in the Land of Israel, the eastern wall of the home is purposely left unfinished with plaster showing, and written upon it is: "If I forget you, O Jerusalem.". It is a unique case of love and faithfulness between the nation, Israel, and her capital that you never find in the history of any other nation in the world.

There is only one reason: the Father, the Creator, and the beloved God of Israel dwells in this wonderful city.

Muslim Shrine Al-Aqsa Mosque also know as The Dome of the Rock; situated on a plaza that Jews revere as the vestige of two biblical Jewish temples.

PRIME MINISTER **BENJAMIN NETANYAHU'S** SPEECH TO THE UN GENERAL ASSEMBLY

Mr. President, Ladies and Gentlemen, Nearly 62 years ago, the United Nations recognized the right of the Jews, an ancient people 3,500 years-old, to a state of their own in their ancestral homeland.

The United Nations was founded after the carnage of World War II and the horrors of the Holocaust. It was charged with preventing the recurrence of such horrendous events. A mere six decades after the Holocaust, you give legitimacy to a man who denies that the murder of six million Jews took place and pledges to wipe out the Jewish state.

What a disgrace! What a mockery of the charter of the United Nations! The Jewish people are not foreign conquerors in the Land of Israel. This is the land of our forefathers. Inscribed on the walls outside this building is the great Biblical vision of peace: "Nation shall not lift up sword against nation. They shall learn war no more." These words were spoken by the Jewish prophet Isaiah 2,800 years ago as he walked in my country, in my city, in the hills of Judea and in the streets of Jerusalem. In the spirit of the timeless words spoken to Joshua over 3,000 years ago, let us be strong and of good courage. Let us confront this peril, secure our future and, God willing, forge an enduring peace for generations to come.

THE WHOLE WORLD AGAINST

LET'S HOPE THE WORLD IS
RIGHT ABOUT EVIL ISRAEL

Jewish World Review

June 8, 2010

By Dennis Prager

With the exception of the United States, nearly all the world's nations; newspapers, radio and TV news stations; the United Nations; and the world's Leftist academics and organizations have condemned Israel over the **Gaza flotilla incident**. The characterizations of the Jewish state range from a society so evil that it should not be allowed to exist to a villainous nation that is responsible for:

- ~ The suffering of millions of innocent Palestinian men, women and children
- ~ The lack of Mideast peace; therefore
- ~ The Muslim world's anger at the West; and therefore Islamic terrorism itself.

Let's hope the world is right!

A visitor from another planet would have every reason to report back home that the greatest problem on planet earth was this planet's Jewish state.

Israel is almost totally isolated. Though Israel is the size of the American state of New Jersey and smaller than El Salvador, and though its population is smaller than that of Sweden,

Burundi and Bolivia, it is the **most censured country in United Nations history.**

ISRAEL

Let's hope the world is right!

Though Israel is a thriving liberal democracy for all its citizens, including the one out of five that is Arab (83 percent of whom are Muslim), with an independent judiciary and press; though it signed an agreement establishing an independent Palestinian state; though it returned to Egypt every inch of the Sinai Peninsula, a land mass larger than Israel itself with major oil reserves — the world deems Israel a villain.

Let's hope the world is right!

Though Hamas runs a theocratic police state based on torture and terror, with no freedom of speech, no freedom for any religious expression outside of radical Islam, seeks to annihilate the Jewish state, and its state-controlled media depict Israelis and Jews as worthy of death, the world sees Israel, not Hamas, as the villain.

Let's hope the world is right!

Here is a random sampling of world reactions: "The EU condemns the use of violence that has produced a high number of victims among the members of the flotilla ..."

"The President of (France) expresses his profound emotion in the face of the tragic consequences of the Israeli military operation," Sarkozy's office said. "He condemns the disproportionate use of force..."

THE WHOLE WORLD AGAINST ISRAEL

"Spain unequivocally condemns the Israeli attack on the humanitarian flotilla and it does so as a country and as the acting president

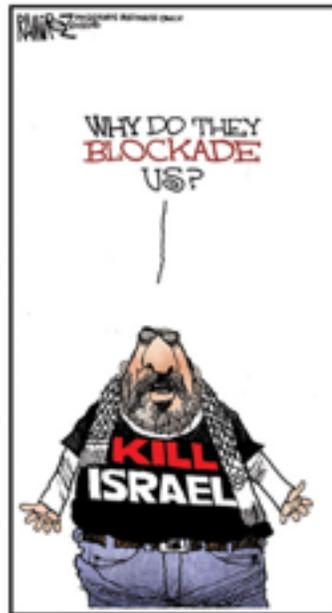

of the EU Council." "Swedish Port Workers Union spokes- man Peter Annerback says workers will refuse to handle Israeli goods and ships ..."

"Norway's military says it has cancelled a special operations seminar because the Defence Ministry objected to the inclusion of an Israeli army officer in the program ... Norway calls for boycott on arms to Israel." South Africa recalled its ambassador to Israel, Ismail Coovadia, "to show our strongest condemnation of the attack." India announced that "There can be no justification for such indiscriminate use of force, which we condemn." "The Argentine Government expressed on Monday its condemnation of Israel's naval attack to an (sic) humanitarian six-ship flotilla." The Brazilian Foreign Ministry in a statement said that "Brazil strongly condemns the Israeli attack, because there was no justification ..." Italian foreign minister Franco Frattini: "I deplore in the strongest terms the

killing of civilians. This is certainly a grave act." The News, the leading Pakistani English daily: "This monstrous outrage has caught the world's attention and once again put the spotlight on the activities of a state that has been a law unto itself for most of its life." China's Foreign Ministry spokesman Ma Zhaoxu: "We were shocked by the Israeli attack which led to severe casualties and condemn it." Let's hope that the European Union, France, Spain, Sweden, Norway, South Africa, India, Argentina, Brazil, Italy, Pakistan, China and nearly all other nations are right.

The reason mankind has to hope that the world, its leaders, its newspapers, its so- called human rights organizations and the United Nations are right about Israel is quite simple: If

Israel is the decent party in its war with the Palestinian Authority and Hamas and nearly all the world's countries, nearly all the world's media and the United Nations are morally wrong — what hope is there for humanity? If the world's moral compass is that broken, are we not sailing into a dark age?

140 There's Ishmael and Isaac standing there fussing about the land yet, but she belongs to Israel. If you happen to go over in the new Jerusalem... They won't let you come to the old Jerusalem. You have to go there first and let them explain it all to you, the Arabs, then take you over to the other side; that's Ishmael's children. But wait, there's coming a time when God's children's going to take her over. That's right. Jerusalem will be rebuilt again. The daily sacrifice will be set up. And the antichrist will make a covenant for them last seven weeks, and in the midst of it he'll break that covenant, turn them all into Catholicism. The abomination will spread over the whole thing like that, and then the end shall be. Watch.

He (Prophet) said, "Look at Ishmael and Isaac still fighting for that land after all these years". What is the whole contention right now? The whole world does not recognise Jerusalem to be the capital; the whole world says Jerusalem does not belong to them.

Here is what the mighty angel (Gabriel) is saying, "To thy people and to thy city". The angel is establishing whose city that is. Then let every man's word be a lie. Whether it be Obama, whether it be Angela Merkel, Sarkozy, Putin, no matter who it may be, Mandela, Tutu...the world makes these man great. Remember these two also represents two beasts in the last days. Revelation 13 speaks about two beasts. One beast that comes out of the sea, the Roman Catholic System. She is that woman Jezebel. One beast that comes out of the Earth, the United States of America, a Vatican-Washington alliance on the Earth today. These two beasts are the two powers in the end time that are going to control the world. The crimes that are being perpetuated mainly are these two powers behind it a big, big way because that Jezebel is going to rule the world. The second Beast, as the Prophet told us was made as a vehicle to accomplish his means. Why does he make an image? Because it must be covert. It is to hide the first beast... The second beast speaks with the voice of the dragon; it's sounding just like the first beast. That's where its spirit, its power, its life is derived from. Because the first

beast spirit, life and power is derived from the great red dragon who was cast out of heaven.

Then we are seeing them claiming now "Jerusalem is not the Jews inheritance. That doesn't belong to them at all. They are usurping that place. They occupy that unlawfully and they need to come out." And all the nations of the earth say, "yes they have to come out".

The criminals today are not the man in the street. They are Ahab and Jezebel; they are ruling the world. They are going to control all religion, all politics, all economics.

Here this is happening in the light a move is being made behind a whole international scheme that involves the nations of the world. The kings of the earth have passed a resolution and came to an agreement to make illegal, Israel's occupation of Jerusalem.

Israel thought "well we came back in the land of our forefathers". This is the promise, this is Ezekiel, this is Joel. They think it's the word coming to pass to them.

2500 years they hoisted that flag..... And the oldest flag in the world today is the six-point star of David that was hoisted in May 1946, and in 1948 was made a nation.

And when they flew it over Jerusalem in 1967 when they were able to capture that part of the city, when over six Arab nations came under Nasser and to unite all those nations, and to destroy that nation. Their move was to obliterate that thing off the map completely because they had become a nation in 1948.

And from 1948 to 1967 they had constant persecution and war because the very next day after they was declared a nation, the first war started with them. The Arabs start to fight them because they were declared a nation and they already see they coming back to that homeland.

And then in the Bible is Ishmael mocking and persecuting and fighting Isaac because Ishmael (Hagar) wants to contest Isaac's inheritance; but Sarah with wisdom knowing the seed can't be heir with the shuck. The bond woman child can't inherit this.

Today, they (Muslims/Arabs) are holding part of the inheritance. Then they align themselves with the Vatican and then the Vatican now is working with them to take Jerusalem. And the western world especially need the Arab oil. Do you know that America is cursed by God for rejecting Elijah?

Through that, Jezebel was able to rise and take over the country (America). Jerusalem for almost two thousand years was controlled by the Muslims for most of the time.

Obama calls for Israel's return to pre-1967 borders

President Barak Obama on Thursday made official the long-held but rarely stated U.S. support for a future Palestinian state based on borders that existed before the 1967 Middle East war.

In the past, The United States has unofficially backed a two-state solution to the Israel-Palestinian conflict based on the borders in place prior to the war 44 years ago in which Israel seized the West Bank, Gaza Strip, Golan Heights and Sinai Peninsula.

In a major speech Thursday, Obama became the first president to formally endorse the policy, but he also acknowledged the need for modifications through the negotiating process due to conditions on the ground.

“The United States believes that negotiations should result in two states, with permanent Palestinian borders with Israel, Jordan and Egypt, and permanent Israeli borders with Palestine,” Obama said in the concluding section of his 45-minute address that looked at political and social change sweeping across the Middle East and North Africa.

“We believe the borders of Israel and Palestine should be based on the 1967 lines with mutually agreed swaps, so that secure recognized borders are established for both states,” Obama continued.

His position agreed with the Palestinian negotiating stance on border issues in the staggering peace process, now stalled again by disputes over Israel settlements in the West Bank and the role of Hamas--a terrorist group in the eye of the United States and Israel--in the Palestinian leadership.

At the same time, Obama reiterated unwavering U.S. support for Israel's security, and he endorsed major negotiating positions of Prime Minister Benjamin Netanyahu's government, including an incremental handover of security responsibilities by Israel when conditions on the ground allow it.

Obama declared the U.S. commitment to Israel's security “unshakable,” and said “every state has the right to self-defense, and Israel must be able to defend itself--by itself--against any threat.”

We can't go back': Israeli PM rejects 1967 border proposal

Face to face, Netanyahu says Obama vision for Mideast peace unrealistic

President Barack Obama meets with Israel's Prime Minister Benjamin Netanyahu in the Oval Office at the White House in Washington on Friday.

WASHINGTON — Israeli Prime Minister Benjamin Netanyahu bluntly told President Barack Obama on Friday his vision of how to achieve Middle East peace was unrealistic, exposing a deep divide that could doom any U.S. bid to revive peace talks.

In an unusually sharp rebuke to Israel's closest ally, Netanyahu insisted Israel would never pull back to its 1967 borders — which would mean big concessions of occupied land — that Obama had said should be the basis for negotiations on creating a Palestinian state.

"Peace based on illusions will crash eventually on the rocks of Middle East reality," an unsmiling

Netanyahu said as Obama listened intently beside him in the Oval Office after they met for talks.

Although the two leaders found cordial and predictable agreement on the other central element that Obama outlined in his Mideast address Thursday — ironclad Israeli security alongside a Palestinian nation — progress on the bedrock issue of borders seemed as elusive as ever.

Netanyahu's resistance raises the question of how hard Obama will push for concessions he is unlikely to get, and whether the vision the U.S. leader laid out on Thursday to resolve the decades-old conflict will ever get off the ground.

We can't go back': Israeli PM rejects 1967 border proposal (cont'd)

Speaking to reporters after the meeting, Obama said he reiterated to Netanyahu the peace "principles" he offered on Thursday in a policy speech on the Middle East upheaval.

The goal, he said, "has to be a secure Israeli state, a Jewish state, living side by side in peace and security with a contiguous, functioning and effective Palestinian state.

Obama on Thursday embraced a long-sought goal by the Palestinians: that the state they seek in the occupied West Bank and Gaza Strip should largely be drawn along lines that existed before the 1967 war in which Israel captured those territories and East Jerusalem.

Netanyahu, who heads a right-leaning coalition, responded with what amounted to a history lecture about the vulnerability to attack that Israel faced with the old borders. "We can't go back to those indefensible lines," he said.

Picking a fight with Israel could be politically risky for Obama at home as he seeks re-election in 2012.

CRISIS IN RELATIONS

The brewing crisis in U.S.-Israeli relations dimmed even further the prospect for resuming peace talks that collapsed late last year when Palestinians walked away in a dispute over Israeli settlement building in the West Bank.

Obama and Netanyahu, meanwhile, appear to have reached an impasse after two and a half years of rocky relations. The Obama White House was angered when Netanyahu refused a U.S. demand to halt building Jewish settlements in the West Bank.

Some Israelis have never felt entirely comfortable with Obama, unnerved by his early attempts to reach out to Iran and his support for popular Arab revolutions that have unsettled Israel.

In a pointed comment clearly aimed at Obama's new approach to the long-running conflict, Netanyahu said: "The only peace that will endure is one that is based on reality, on unshakable facts."

Netanyahu, Israeli officials said, was determined to push back hard because the reference to 1967 borders was a red flag that would attract more international pressure on Israel for concessions. A senior Israeli official said Netanyahu felt he had to speak bluntly so he would be "heard around the world."

"There is a feeling that Washington does not understand the reality, doesn't understand what we face," an official on board the plane taking Netanyahu to Washington told reporters.

Despite that, Obama's first declaration of his stance on the contested issue of borders could help ease doubts in the Arab world about his commitment to acting as an even-handed broker and boost his outreach to the region.. Another failed peace effort, however, could fuel further frustration. In line with Netanyahu's stance, Obama voiced opposition to the Palestinian plan to seek U.N. recognition of statehood in September in the absence of renewed peace talks.

The Democratic president has quickly come under fire from Republican critics, who accuse him of betraying Israel, the closest U.S. ally in the region. Pushing Netanyahu could alienate U.S. supporters of Israel as Obama seeks re-election.

We can't go back': Israeli PM rejects 1967 border proposal (cont'd)

Obama may get a chilly reception in a speech to an influential pro-Israel lobbying group on Sunday.

Netanyahu is expected to be feted when he addresses the same audience on Monday and then the U.S. Congress on Tuesday.

Markers for compromise Obama, in his speech on Thursday, laid down his clearest markers yet on the compromises he believes Israel and the Palestinians must make to resolve a conflict that has long been seen as a source of Middle East tension.

But he did not present a formal U.S. peace plan or any timetable for a deal he once promised to clinch by September.

In Thursday's speech, Obama said: "We believe the borders of Israel and Palestine should be based on the 1967 lines with mutually agreed swaps" of land. While this has long been the private view in Washington, Obama went further than U.S. officials have in the recent past.

Agreed swaps would allow Israel to keep settlements in the West Bank in return for giving the Palestinians other land.

MODERN ISRAEL AT 62: TINY COUNTRY AND HUGE SUCCESS

by Tzvi Ben Gedalyahu
Iyar 5, 5770, 19 April 10 08:29

Israel, only a fraction of one percent of the Middle East land mass and 2 percent of its population, Israel has the highest ratio of university degrees per capita in the world. The country, by a large margin, produces more scientific papers per capita than any other nation in the world and has the highest number of scientists and technicians per capita in the world.

Despite all its success, Israel also leads the country in United Nations Security Council resolutions against the Jewish State. Of the 175 U.N. Security Council resolutions passed before

1990, 97 were directed against Israel. Of the 690 U.N. General Assembly resolutions voted on before 1990, 429 were directed against Israel.

THE RACE TO VILIFY ISRAEL

By: N. Aaron Troodler
Date: Wednesday, June 23 2010

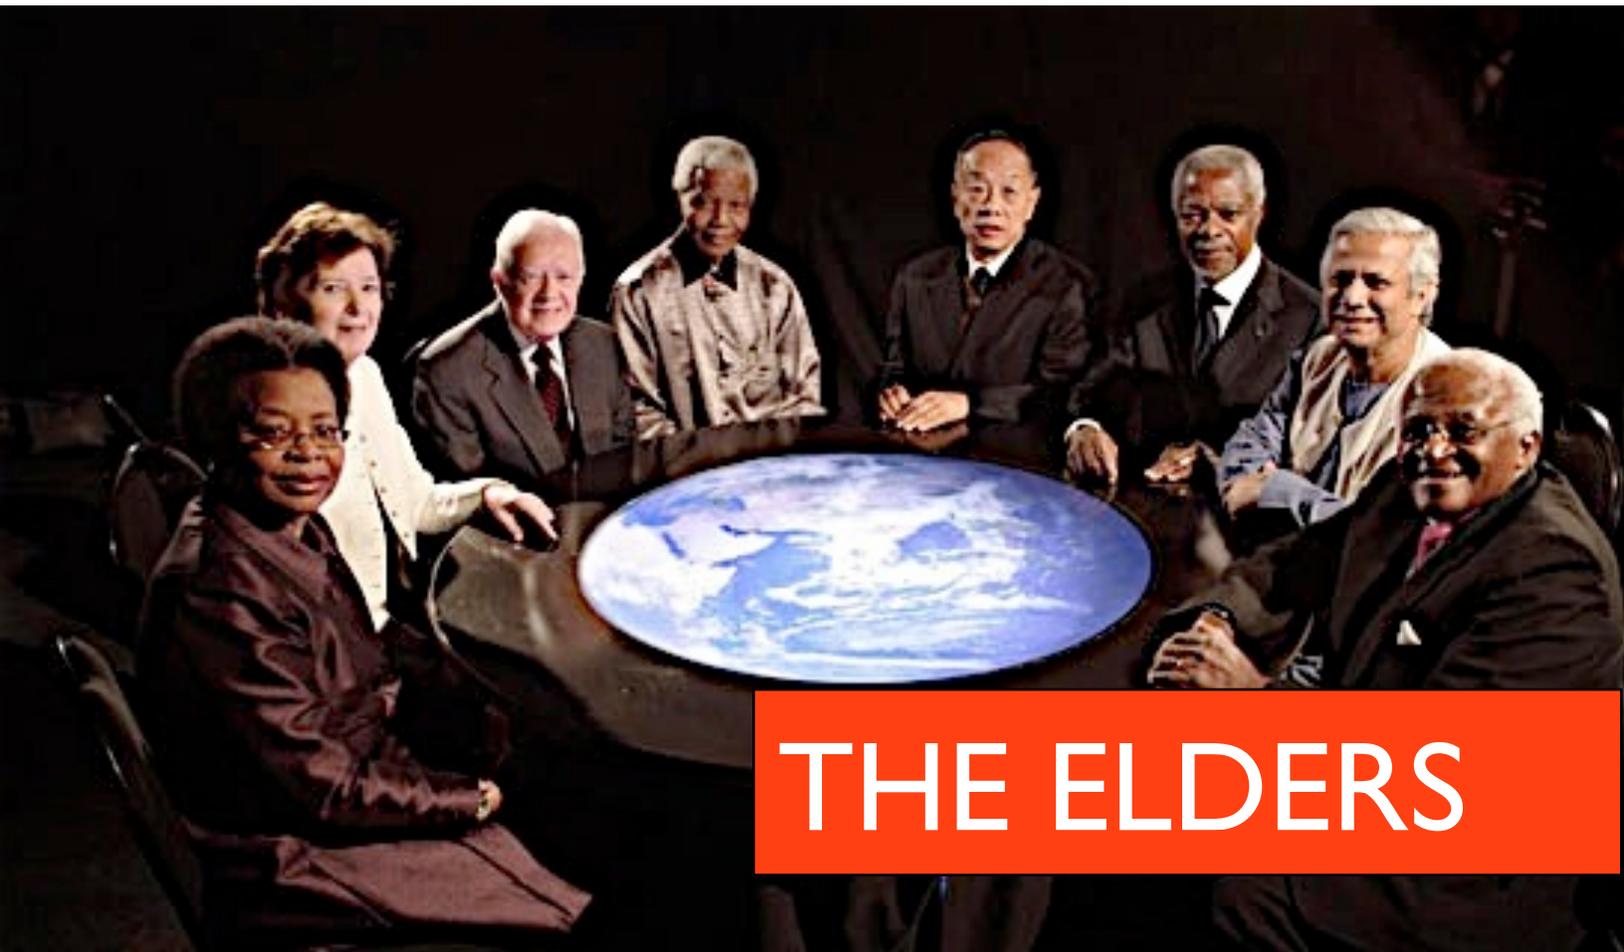

It's remarkable that with all the strife and conflict emanating from every corner of the globe, Israel is the country that perpetually dominates the headlines.

The widespread effort to vilify Israel is by no means a new phenomenon. Ever since its inception in 1948, Israel has been a magnet for false accusations and ill-placed criticism.

Whenever there is an incident involving Israel and its Arab neighbours, the world is ready to pounce and find fault with Israel's actions. The pundits pan Israel's every move, the commentators criticize Israel's every move, world leaders lambaste Israel's every move.

Instead of the usual rush to condemn Israel we've become accustomed to, there is now an all-out race. As far as the international community goes, Israel's every move is contemplated, criticized, and then condemned. The world is eager to pass judgment on Israel and denounce it at every turn.

The scrutiny Israel receives after each and every act is unparalleled in the international community, and the criticism consistently levied against the Jewish state is virtually unmatched. There are rogue nations and terrorist organizations that seemingly get a free pass while Israel, a democratic country, is condemned repeatedly. Even the UN, the world's peacekeeping body, seems to be poised and waiting to strike whenever Israel is in the spotlight.

THE ELDERS

1 Kings 21: 7-8, 11 And Jezebel his wife said unto him, Dost thou now govern the kingdom of Israel? Arise, and eat bread, and let thine heart be merry: I will give thee the vineyard of Naboth the Jezreelite.

So she wrote letters in Ahab's name, and sealed them with his seal, and sent the letters unto the elders and to the nobles that were in his city dwelling with Naboth.

And the men of his city, even the elders and the nobles who were the inhabitants in his city, did as Jezebel had sent unto them, and as it was written in the letters which she had sent unto them.

Economics brought it to one world religion, one world government, and one world economy to

bring in his kingdom and he is ready to be enthroned as God and these people here is an obstacle in his plan. He needs Jerusalem to finish his great plan. So what does Jezebel do? Get the nobles and the elders to take Naboth's inheritance. What do the nations do? Like Esau, they chose the morsel of meat; they chose the cheap oil and all the material benefits instead of the birthright.

ABOUT THE ELDERS

The Elders are an independent group of eminent global leaders, brought together by Nelson Mandela, who offer their collective influence and experience to support peace building, help address major causes of human suffering and promote the shared interests of humanity.

entrepreneur Richard Branson and the musician Peter Gabriel. The idea they discussed was a simple one. In an increasingly interdependent world – a global village – could a small, dedicated group of independent elders help to resolve global problems and ease human suffering? For inspiration, they looked to traditional societies, where elders often help to share wisdom and resolve disputes within communities. They took their idea to Nelson Mandela, who agreed to support it. With the help of Graça Machel and Desmond Tutu, Mandela set about bringing the Elders together. Prospective members were invited to join on the basis of a distinct set of criteria. Firstly, and most

importantly, they should be independent. They should have earned international trust, demonstrated integrity and built a reputation for inclusive, progressive leadership. Mandela announced the formation of the Elders in July 2007, on the occasion of his 89th birthday, at a ceremony in Johannesburg. During the ceremony, he described the mission of the group: "The Elders can speak freely and boldly, working both publicly and behind the scenes. They will reach out to those who most need their help. They will support courage where there is fear, foster agreement where there is conflict and inspire hope where there is despair." THE WHOLE WORLD AGAINST ISRAEL

STATEMENT by HIGH REP.

CATHERINE ASHTON (EU)

Brussels, 30 June 2010

A 117/10 Statement by High Representative Catherine Ashton on Israel-Palestinian proximity peace talks, Catherine Ashton, the High Representative of the Union for Foreign Affairs and Security Policy and Vice-President of the Commission, made the following statement today: "I am deeply concerned by recent settlement-related activity in East Jerusalem and the recent unrest in Silwan. I recall that the European Union has never recognized the annexation of East Jerusalem. Settlements and the demolition of homes are illegal under international law, constitute an obstacle to peace and threaten to make a two-state solution impossible. If there is to be genuine peace, a way must be found through negotiations to resolve the status of Jerusalem as the future capital of two states. I would like to call on Israel to refrain from measures which may undermine the ongoing proximity talks. These talks enjoy our full support and the parties need to engage seriously in these negotiations.

The Obama administration has announced the United States will join the United Nations Alliance of Civilizations, another openly anti-Israel organization.

The group was created in 2006 to find ways to bridge the growing divide between Muslim and Western societies – a goal wholeheartedly embraced by President Barack Obama, who has redirected American foreign policy in pursuit of the same goal. US Feared it would be Anti-Israel in 2006. Since Obama took office a year ago, he has worked hard to reach out to the Islamic community of nations in a series of gestures that

make it clear he is bending over backwards to strengthen ties with the Muslim world.

Since his speech from Cairo last June, Obama has reached out to Iran and Syria, restoring full diplomatic relations with Damascus and returning an ambassador to the Syrian capital. The U.S. has also joined the anti-Israel U.N. Human Rights Commission. Both these moves are reversals of prior Bush administration decisions.

Relations between Israel and its staunchest ally, the US, have suffered a "tectonic rift", according to Israel's ambassador to Washington. According to those present, Oren said the situation had moved beyond a crisis that eventually passes. "There is no crisis in Israel-US relations because in a crisis there are ups and downs," he told the diplomats in Jerusalem. "Relations are in the state of a tectonic rift in which continents are drifting apart."

Oren said President Barack Obama made judgments about Israel on the basis of cold calculation in contrast to predecessors George W Bush and Bill Clinton, who were motivated by historical and ideological factors. He suggested that Obama was less likely to be influenced by pro-Israel supporters inside or outside the White House. "This is a one-man show," he was quoted as saying.

Netanyahu (Israeli Prime Minister) and Obama are due to meet in Washington on 6 July after earlier talks were postponed following Israel's lethal assault on the flotilla of ships attempting to break the blockade of Gaza.

Netanyahu is keen for the meeting to be seen as a success after a string of difficult issues have ruptured relations. His last visit to Washington ended with what was widely interpreted as a snub when Obama declined to hold a photo-call with the Israeli leader.

OBAMA TURNS TO POPE TO BACK MIDEAST PLAN

by Tzvi Ben Gedalyahu Tammuz

U.S. President Barack Obama is turning to the Pope to back his vision of a new Arab state on all of Judea and Samaria and eastern Jerusalem. The president told the Catholic Italian newspaper *Avvenire*, one week before a scheduled meeting with the Pope in Italy, —It [the Middle East] is a subject I am keen to discuss with the pope. I think he will share my approach."

Israeli Officials: OBAMA TO CALL WORLD SUMMIT IF MIDEAST PEACE TALKS FAIL

President informed European leaders of plans for peace conference this fall, sources tell Haaretz.

By Barak Ravid

U.S. President Barack Obama has told several European leaders that if Israeli-Palestinian talks remain stalemated into September or October, he will convene an international summit on achieving Mideast peace, senior Israeli officials told Haaretz on Thursday. The officials said the

conference would be run by the Quartet of Middle East peacemakers - the United States, European Union, United Nations and Russia - in a bid to forge a united global front for creating a Palestinian state. The summit, they said, would address such core issues as borders, security

arrangements, Palestinian refugees and the status of Jerusalem. Obama is determined to exert his influence to establish a Palestinian state, the officials said, and several European leaders have vowed that the EU would support any peace plan proposed by Washington. Therefore, though so-called proximity talks are set to start in the coming weeks, Obama is already readying for the possibility that the indirect Israeli-Palestinian talks might reach a dead end. The U.S. proposal would likely be presented by the end of this year, the officials said.

Threatened Israel in need to know if **Jesus** is Their Messiah

Source: Israeli Magazine, Israel Today

There is an upsurge in interest among secular and

religious Israelis to know more about Jesus. **“They were surprised to discover that the promise of a new covenant is written in the Hebrew prophets (Jeremiah 31).**

Messianic ministry Revive Israel located just outside Jerusalem reports that its staff and

partner ministries have experienced an upsurge in interest among secular and religious Israelis in the person and ministry of Yeshua (Jesus).

In their latest newsletter, Sahar S. writes that a group of 40 young Israeli college students recently visited the Revive Israel offices to ask questions regarding Jesus and the New Testament for a course on Israeli history and culture.

The biggest news to them was that Yeshua loved the God of Israel and that His teachings were focused on a fulfillment of the moral law in the Ten Commandments (Matthew 5),” said Sahar.

“A number of them came with pre-conceived ideas and even anger towards Messianic Jews. At the end of the meeting a young religious man came and admitted that his perspective had changed about who we are – Israeli Jews who believe in Yeshua.”

The group was reportedly surprised at the level of kindness shown by the Messianics despite frequent

harassment of and attacks on believers in Jesus in Israel. **The newsletter also included an update on a 4-week Jews for Jesus campaign in central Israel that is currently winding down. Ze’ev N. writes that the group received contact information from no fewer than 2,000 Israelis interested in hearing more about Jesus.**
